With Reference to the above cited subject, it is to submit that in reply to the EDS query raised by the Deputy Inspector General of Forests (Central), Kendriya sadan, MoEF, the user agency has submitted the

compliance report vide reply cited under ref (7). In the EDS raised by MoEF, GOI, there were three points for which clarification/information was sought. In reply to the said three points of the EDS, the user agency has furnished the clarification/information as below,

Sl No	Clarification / information sought	Compliance
1	Map depicting the alternatives examined along with its details.	At the time of preparation of project proposal, three alternate alignments were examined of which alignment No 2 was found more feasible. Even though alignment-1 is shorter in length, the foundation for transmission line towers are technically not feasible. The alignment No 2 was situated well within the diverted land of Upper Tunga project and does not require fresh forest land for the said work. The map showing the alternate alignments and comparative statement showing the feasibility of alignments are annexed here with as Annexure-A and B respectively.
2	Legible map showing area proposed re-diversion and fresh diversion	The legible map along with the details of Re-diversion and fresh diversion is annexed here with as Annexure-C .
3	Details of compliance report for the conditions stipulated by ministry vide letter dated 14-12-2004 for diversion of 449.55 Ha of forest land to Upper Tunga Project.	The revised compliance of the User Agency of Upper Tunga Project to the conditions stipulated by MoEF, in the letter dated 14.12.2004 is annexed here along with Annexure-D .

Further, with respect to the conditions stipulated in the letter dated 14.12.2004 of MoEF, condition number 03, 04, 09, 10 and 14 of the said letter required departmental action. Therefore, along with the compliance of the User Agency of the Upper Tunga Project, the details of departmental actions are put together in the joint compliance report. The details of the joint compliance report are as below,
