With reference to the above I submit my reply as detailed below

Sl. No.	Quaries raised by the Chief Conservator of Forests, Chennai Circle	Reply
1	2(a). In the site inspection and recommendation of the District Forest Officer, Chennai Division. It was reported that 285Nos. of standing trees to be removed in the above proposal. However, in the Part-II of the proposal details were given only for 189Nos. of trees. This is to be rectified.	The total No. of trees to be felled are 285Nos. It has been wrongly uploaded as 189Nos. Now it is corrected as 285Nos and uploaded the same in Part-II of PARIVESH Web Portal copy enclosed.

2.	2(b) The District Forest Officer has also not uploaded the covering letter	Now covering letter is uploaded in PARIVESH Web Portal and copy enclosed.
3.	Compensatory Afforestation estimate for an amount of Rs. 2,76,21,047.60/- was uploaded which includes raising nursery maintenance of nursery, planting and 10years maintenance cost. No soil and moisture conservation works were proposed. Soil and moisture conservation structures and fencing to be included wherever necessary.	Now soil and moisture conservation work such as Check Dam and fencing works such as Protection barriers works have been provided as instructed by the Chief Conservator of Forests, Chennai Circle. Further the User Agency has been requested to furnish necessary undertaking letter for the cost of Rs.1,71,45,000/- for the construction of 2 Check Dams and for the construction of Compound wall to the length of 1500 mts.
	2(d) The District Forest Officer has also not uploaded the suitability certificate of degraded forest land identified for CA.	Site suitability certificate is now uploaded in PARIVESH Web Portal and copy enclosed.

Encl:As stated above

Yours faithfully,

J.P. Srinivasan
