**Sub: Diversion of 33.152 ha of forest land for construction of Bhalumaska-Singapur Doubling Railway Project from 128.95 Km to 163.725 Km under Rayagada Forest Division by Deputy Chief Engineer (Con)-II, East Coast Railway, Rayagada, Odisha – Govt. of India observations dated 13.12.2023 regarding.
(Proposal No.FP/OR/RAIL/154542/2022, State Sl. No.OR-02/2023 dt.09.02.2023)**

Ref:- Letter No. 5-ORC618/2023-BHU dated 13.12.2023 of the Deputy Inspector General of Forests (C), GoI, MoEF & CC, Regional Office, Bhubaneswar.

Sir,

Apropos to the above mentioned subject, it is to inform that the Govt. of India vide letter under reference has requested to identify equivalent non-forest land for raising CA and submit details of CA Scheme along with relevant maps and KML file instead of double degraded forest land identified earlier as the provisions of FC Rules, 2022 shall apply to the instant proposal.

In this context, it is to reiterate that the user agency i.e. Deputy Chief Engineer (Con-II), East Coast Railway, Rayagada had applied for the proposal online through Parivesh 1.0 on 18.04.2022 and subsequently observations (EDS) were raised by the Nodal Officer after due scrutiny on 20.04.2022, 20.01.2023 and 08.02.2023 to the user agency for compliance. The user agency complied the observations and resubmitted the compliance online to the Nodal officer on 17.01.2023, 20.01.2023 and 08.02.2023 respectively. Further, the Nodal Officer accepted the proposal on 24.01.2023. The State Serial number was generated on 09.02.2023 and forwarded to the DI/O, Rayagada division for processing of Part-II.

The proposal was subsequently received from RCCF, Koraput online on 22.11.2023 after Part-III by the Nodal Officer which was forwarded to the State Government on 24.11.2023. The said proposal was forwarded to the GoI, MoEF & CC, Regional Office, Bhubaneswar on 25.11.2023 by the State Government. The details of Timeline downloaded from Parivesh 1.0 is enclosed as Annexure-I.

In view of the above, it is pertinent to mention that since the online proposal was initially received on 18.04.2022, the processing was done as per extant Rules and Guidelines in force under FC Act, 1980. Accordingly, twice the degraded forest land over 67.0 ha was identified in Mirabali RF and Kutuli PRF under Rayagada Forest Range of Rayagada Forest division which has been approved by the Nodal officer and submitted to the State Government alongwith the proposal.

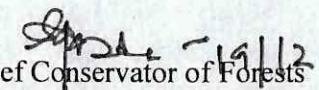

Further, it is to mention that the Forest (Conservation) Rules, 2022 came into force with effect from 28.06.2022 and the instant proposal was received initially online through Parivesh 1.0 on 18.04.2022 i.e prior to implementation of FC Rules' 2022 and processed accordingly.

However, the user agency is being requested to identify equivalent non-forest land for raising CA and submit details of CA Scheme along with relevant maps and KML file, as desired by Govt. of India.

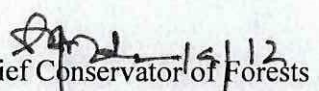

This is for favour of kind information and necessary action.

Encl: As above

Yours faithfully
