

From: Pr. Chief Conservator of Forests (HoFF),  
Himachal Pradesh Shimla-1.

To: The Regional Officer,  
Integrated Regional Office GoI, MoEF&CC,  
CGO Complex, Shivalik Khand, Longwood,  
Shimla, Himachal Pradesh.

Dated Shimla-1, the 25 JUL 2022

**Subject: Diversion of 2.358 hectare of forest land in favour of HPPWD for the construction of motorable link road from Daballa Danga to chambar (Kms. 0/00 to 3/700) within the jurisdiction of Dalhousie Forest Division, Distt. Chamba, Himachal Pradesh. (Online Proposal No. FP/HP/Road/50559/2020).**

Sir,

Kindly refer to your office letter No.FC/H.P.B/06/72/2021 dated 14.01.2022 on the subject cited above.

2. The reply to the observations as raised vide your above referred letter is submitted as below:-

1. It has been submitted by DFO concerned that efforts were made to explore the non-forest/private land for the purpose of dumping site for this road, but no suitable private land is found for this purpose. As due to hilly terrain the local habitant have very less land and which is single source of their livelihood and are not agreed to donate/sale their land for dumping purpose. It is further submitted that in Himachal Pradesh particularly in Chamba, district, out of total 65k Sq. Km., 5522 Sq. Km is forest land, which is approximate 84% of the total area of Chamba District and only 16 % of the area of total area in Chamba district comprises in private/non-forest land. As such there is no non-forest/private land is available for dumping site. Further, it is also submitted that the no any tree (s) is enumerated over the area proposed for dumping site.
2. Necessary correction against the column 2.4 in online Part-I has been made by the user agency.
3. DFO Dalhousie has submitted that no any tree is standing over the area proposed for dumping site.
4. As desired, copy of muck management plan is enclosed herewith.
5. The user agency has submitted that the factor associated with the main ecological problems like land degradation, soil erosion, zoologist disturbance and denuding of forest, interruption and disturbance in the drainage system loss of forestry and vegetation to the degradation etc. were taken into consideration by way of protection the hill be providing/adopting gabion wall and PCC wall on hill side as per the soil classification to maintain the proper angle of repose for stability of hill side.
6. Recommendation of DFO concerned has been revised and is enclosed herewith.
7. The revised KML file has been uploaded on the portal against appropriate column by the user agency.
8. Needful has been done by the user agency.
9. As per submission of user agency and DFO Dalhousie it is submitted that three alternatives were explored for the prior to selection of alignment for construction of above said road and three alternatives necessarily passes through the forest land falling under the protection working circle. There is

no possibility to avoid forest land or protection working circle for the construction of above road and necessary certificate in this regarding obtained from the Dy. Commissioner Chamba for non-availability of nor forest land is also provided in the proposal folder at P.No. 27, Check list Sr. No. 09. Moreover most of the length of alignment selected in the proposed road coincides with the existing Gair Mumkin Sadak which can be seen clearly in the KML file and at present is being used by the people of Chhambur to reach their destination. The road will facilitate people of village Chhambur having population of 177 people. The people of area are facing the difficulties to carry their agriculture produce and other material. Also in absence of the road connectivity people of the area faces major problem for evacuation of the patients in medical emergency. Keeping in view the fact narrated above, it is, requested to process the case for obtaining the further approval from the competent authority.

10. The necessary correction has been made in the online Part-II against appropriate column regarding density of vegetation.
11. NPV bill has been revised as per the latest guidelines and copy of same is enclosed herewith.
12. The copy of all consultations and meeting of FRC(s)/ GramSabha(s) are enclosed herewith.
13. The NOC and sale/gift deed documents are enclosed herewith.
14. Necessary correction has been made in online Part-II against appropriate column.
15. As desired, the Administrative Approval issued by the competent authority is enclosed herewith.

Yours faithfully,

Encls: As above

  
Nodal Officer-cum-APCCF (FCA)  
O/o Pr. CCF (HoFF), H.P.

## RECOMMENDATION

The proposed road will provide the connectivity to villages Chambar and will cater the needs of population near about 177 (As per 2011 Census). Therefore, the construction of link road Dabala Danga to Chambar is justifies in the interest of local people. As such, there is no other land available for the proposed road, as all the Govt. waste land/degraded land has been involved is unavoidable and barest minimum for the said road. Hence the proposal is recommended for approval please.

  
Divisional Forest Officer  
Dalhousie Forest Division  
Dalhousie

**MUCK MANAGEMENT PLAN**

**Name of work :- Construction of Motorable Link road from Daballa Danga to Chambar Km. 0/0 to 3/700**

	Total Quantity of muck being produced	71396.90
1	Deduction for useful stone as required under clauses of agreement to be executed by the Executive Engineer of Project Implementing unit Division in behalf of Govt. of H.P. for using in project	5263.41
	Net balance quantity of debries / Muck	66133.50
2	Add quantity available on site with swell factor @ 40% on P.W. & J.W.	77849.36
	Add quantity available on site with swell factor @ 25% on Blast work	13158.51
	GRAND TOTAL (A)	157141.37
3	Less of material required for the construction of dumping in dry masonry wall @ 5% of (A)	7857.07
4	Less of material / muck required for the levelling of proposed road @ 15% of (A)	23571.20
5	Less of material / muck required for the levelling of proposed road on the analogy of half cutting and half filling @ 40% of (A)	62856.55
	GRAND TOTAL (B)	94284.82
6	Material / muck left in the site which required carriage for the proper dumping at the recognized site as per the instruction of Forest and Environment Ministry reinforced by various judgment of the Apex Court Govt. of India i.e. (A-B)	62856.55
	Proposed for dumping DS-I to II	2 No.
	Total capacity of dumping places :	63856.00
		Cum.
	Area in Ha for dumping site	0.168 Hect.
