Sub: Essential Document Sought (EDS) in Parivesh Portal for Construction of Road from Ganjote to Phalni II Package No JK14-572 for Proposal no. FP/JK/ROAD/48778/2020

Sir,

Apropos to the subject cited above, it is to intimated that justification certificate has been uploaded by the user agency (copy enclosed) with the justification that muck dumping sites area is more than the area coming in road to avoid agricultural land and to save the forest downhill side of the road alignment on steep hill slopes where no scope is available to control the Malba/debris.

As requested by the User agency Proposal is forwarded for reconsideration please.

Encl: I leave

Justification Certificate

The PMGSY road from Ganjote to Phalni Part II has been sanctioned under Package No JK14-572, Stage Ist, Phase XI, Length = 30.24 KM. Out of 30.24 KM of road length, 9.85 KM length of the road falls in forest area which involves 5.91 Hectares land for construction of road and 8.40 Ha. of land is kept for dumping yards. The area/No of dumping yards are kept on higher side than the forest area involved for construction of road to avoid agricultural land for dumping in adjoining areas and to save the forest on downside of the road alignment on steep hill slopes where no scope is available to control the mulba during the earthwork execution of the said road.

Hence, justification certificate is issued keeping in view the safety of agricultural land and forest/Vegetation on downside of the road alignment on steep hill slope.
