No. DFO/MFD/2313-14

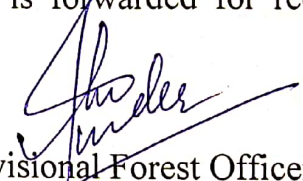

Dated: 25-02-2021

Sub: Essential Document Sought (EDS) in Parivesh Portal for Construction of Road From Shikari To Bhaller, Package No. JK14-441, Stage 1st, Phase Xth fr proposal no. FP/JK/ROAD/117800/2020
Sir,

Apropos to the subject cited above, it is to intimated that justification certificate has been uploaded by the user agency (copy enclosed) with the justification that muck dumping sites area is more than the area coming in road to avoid agricultural land and to save the forest downhill side of the road alignment on steep hill slopes where no scope is available to control the Malba/debris.

As requested by the User agency Proposal is forwarded for reconsideration please.

Encl: I leave

Divisional Forest Officer
Mahore Forest Division
Dharmari

Copy submitted to Executive Engineer PMGSY Mahore for favour of information please.

Divisional Forest Officer
Mahore Forest Division
Dharmari

Office of the Executive Engineer PMGSY Division
Mahore

Justification Certificate

The PMGSY road from Shikari to Bhaller has been sanctioned under Package No JK14-441, Stage Ist, Phase X, Length = 10.710 KM. Out of 10.710 KM of road length, 3.92 KM length of the said road falls in forest area which involves 2.035 Hectares land for construction of road and 3.68 Ha of land is kept for excavating mulba (dumping yards). The area/No of dumping yards are kept on higher side than the forest area involved for construction of road to avoid agricultural land for dumping and to save the forest on downside of the road alignment on steep hill slopes where no scope is available to control the mulba during the earthwork execution of the said road.

Hence, justification certificate is issued keeping in view the safety of agricultural land in adjoining areas and forest/vegetations on downside of the road alignment on steep hill slope.

Executive Engineer
PMGSY Division
Mahore
