Sir,

With regard to above cited subject matter, it is to submit that the MoEF & CC have sought comments for Diversion of 0.028 ha of Forest Land for Construction of 40 Mtr Span Motorable Bridge over Synthan Nallah on Watsar to Dangar Nallah road Km 2nd RD 140-190, package No. JK04-369 Regular PMGSY-1 batch 1 2018-19, District Kishtwar, UT of Jammu & Kashmir (Online Proposal NO: FP/JK/Road/151405/2022) in view of Fauna mentioned at 8 (i) of Part-I. In this regard, it is to submit that as per the Range Officer Wildlife Range Kishtwar's office letter No: 153/ROWL/K dated: 23-07-2022, the said Bridge is approximately 25 Km away from the Kishtwar High Altitude National Park. However since the Construction site of Motorable Bridge is within the Forest area, the movement of Wild animals may also occur.

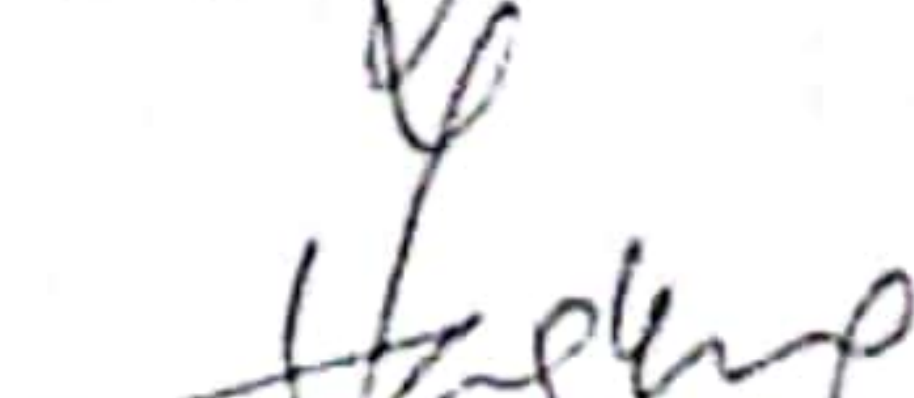

In order to take care of such movement of Wild animals, the user agency should design / prepare safe animal passage plan for the Motorable Bridge as per the standing guidelines.

Hence submitted for favour of information and onward submission please.

Yours faithfully
