4.	Component wise breakup of forest land required is not provided in para-B-2.4 of online part-I.	Component wise breakup of forest land is provided in para-B-2.4 of online part-I.
5.	Soft copy of the geo-referenced map showing the forest land proposed for diversion is submitted in Googel Earth Map (Kml file) which does not serve the useful (shp file) showing geo-coordinates i.e. latitudes and longitudes at regular interval of 200 m to 300 m including all turning points (curves) along the alignment of the road to be prepared through GIS software.	Soft copy of the geo-referenced map showing the forest land proposed for diversion is submitted in Googel Earth Map (Kml file) showing geo-coordinates i.e. latitudes and longitudes at regular interval of 200 m to 300 m including all turning points (curves) along the alignment of the road indicated in the GIS software.
6.	Scanned copy of the map prepared by using GPS i.e. the geo-referenced digital map showing geo-coordinates at regular interval of 200 m to 300 m including all turning points (curves) along the alignment of the road to be prepared through GIS software has not been attached at para-B-2.4 instead, sol Toposheet map showing geo-coordinates at start and ent point only is attached.	Scanned copy of the map prepared by using GPS i.e. the geo-referenced digital map showing geo-coordinates at regular interval of 200 m to 300 m including all turning points (curves) along the alignment of the road prepared through GIS software has been attached at para-B-2.4 instead, sol Toposheet map showing geo-coordinates at start and ent point only is attached.
7.	In para-D of online part-I justification for rejection of alternatives examined has not been provided.	In para-D of online part-I justification has been attached.
8.	The forest land proposed for diversion is mentioned as 1.347	The forest land proposed for diversion is

	ha instead of 2.205 ha in all the documents concerning FRA attached in para-K of online part-I.	corrected & mentioned 2.205 ha in all the documents concerning FRA attached in para-K of online part-I.
9.	At the end of online part-I, 38 additional documents have been uploaded but, the title of the documents are not given in the remarks column except the document at sr. 1, 2, 37 & 38.	At the end of online part-I, 38 additional documents have been uploaded. The title of the documents are given in the remarks column including the document at sr. 1, 2, 37 & 38.
10.	In online part-II, density is mentioned as 0.2 but, 7 trees per hectare may not account for 0.2 density.	Density have been corrected in point no. 4 under form A part II and Copy of NPV is attached in additional information poin no. 13
11.	As per details given in online part-I & Part-II, CA is Proposed over 3.00 ha instead of 4.41ha (2.205 ha x2) Dewayal Civil Land.	As per details given in online part-I & Part-II, CA is corrected as 4.41ha (2.205 ha x 2) on Dewayal Civil Land.
12.	Soft copy of the geo-refernced map showing the area proposed for CA is submitted in Google Earth Map (Kml file) which does not serve the useful pupose. State Govt. may submit the soft copy of the geo-referenced map of the areas proposed for CA in Shapefile (shp file) showing geo-coordinates of all the corner points along the periphery of the polygon.	Soft copy of the geo-refernced map showing the area proposed for CA is submitted in Google Earth Map (Kml file) The soft copy of the geo-referenced map of the areas proposed for CA in Shapefile (shp file) showing geo-coordinates of all the corner points along the periphery of the polygon submitted.
13.	A copy of survey of India Toposheet is attached in place of scanned copy of the geo-referenced map of the forest land proposed for C.A. at para-13(ii) on online part-II. State Govt. may submit the scanned copy of the geo-referenced digital map prepared by using DGPS of total station showing geo-coordinates of all the corner points along the periphery of the polygon.	Scanned copy of the geo-referenced map of the forest land proposed for C.A. at para-13(ii) on online part-II. Prepared by using DGPS of total station showing geo-coordinates of all the corner points along the periphery of the polygon.
14.	Scanned copy of the Google Earth map of the forest land proposed for C.A. is attached in place of copy of Survey of India Toposheet at para-13(iii) of online part-AA.	Scanned copy of the Survey of India Toposheet at para-13(iii) of online part- AA attached.
15.	The suitability certificate for the area proposed for CA has not been uploaded with CA scheme in online part-II.	The suitability certificate for the area of CA is attached.
16.	NPV calculation is attached as additional document but, the area in mentioned at 2.50 ha instead of 2.205ha.	NPV calculation is attached as additional document, the area is corrected & mentioned at 2.205 ha instead of 2.50ha.
17.	May provide hard copy of part-I & part-II signed by the User Agency and DFO exactly similar to what has been uploaded online to be placed in the hard copy of the proposal.	Online submission of part-I and part-II is similar of hard copy. copy of part II is attached.
18.	Signed copies of part III, IV and part V are not attached in the copy.	The information of part-III, IV and V is not related to user agency and DFO.
