2.

As desired by REC in its 57th meeting held on 11.5.2021, the user agency has reduced the width of proposed alignment according to existing norms of PMGSY for hill roads. After reduction of width to 6 meters, now 3.9654 ha forest land is required for construction of above road including dumping sites. Keeping in view of above, revised proposal folders for diversion of 3.9654 ha forest land are enclosed herewith in triplicate for favour of information and further necessary action at your end please.
