Memo:

Kindly refer to IRO office EDS on dated 20.05.2025 on the subject cited above

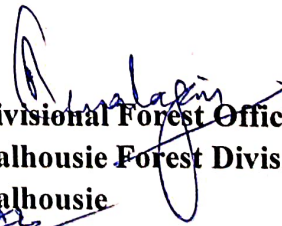

memo,

The proposal was earlier rejected by IRO Shimla on the grounds that 08 trees were coming under the proposed site falling in DPF area. However, on verification, it is clarified that the land in question does not fall under DPF; rather, it is in the possession of Municipal Council Dalhousie, Jamabandi of year 1977-78 and 2023-24 has been uploaded by user agency in which the status and possession of land is shown.

Accordingly, there are 8 trees standing in the proposed area out of which 4 will be retained as these trees are standing at the corners of the proposed site which are not required to fell. The list of trees required to cut and retained is has been uploaded in part II.

Municipal Council Dalhousie is most popular hill station and tourist destination. There are 3 popular tourist destination for local site seing in M.C.Area i.e. Subash Chowk, Gandhi Chowk and Punjpulla, and the tourists visit in these places in separate time in separate place and due to long distance between these places, the parking places are urgent require.

You are therefore requested to kindly consider the above facts and take further necessary action for processing the FCA proposal at the earliest please.
