Dated Rampur, the 27/04/2028

To

The Nodal Officer-cum-PCCF (FCA),
O/o Pr. CCF (HoFF), H.P. Shimla-1.

Subject: Diversion of 25.6 ha of forest land in favour of HPPWD for the construction of Bhaba Mud Sagnam Attargoo Road Kms 0/0 to 44/400—Compliance of observations thereof.

Memo:

Kindly refer to your office letter No. Ft. 48-4082/2020(FCA) dated 23.03.2026 on the subject cited above.

In this context, the point-wise compliance/reply to the observations raised by your office, as received from the Deputy Conservator of Forests, Kinnaur is submitted as follows:

Sr. No.	Observation	Reply
1	In response to point No. 2, although the density has been mentioned as 0.05 (Kinnaur Division), which indicates the canopy density as "open forest," whereas the NPV bill has been prepared based on the rate applicable for dense forest. NPV bill needs to be revised as per the actual density.	It is submitted that the discrepancy in canopy density (0.05%) on the Parivesh portal (Part-II) was mentioned earlier due to a clerical error. The data has now been corrected as (0.5%) and updated in the appropriate columns of the portal to match the actual density. Consequently, the NPV bill stands revised as per the corrected canopy density and uploaded at Sr. No. 18 of Part-II as additional information.
2	The revised Compensatory Afforestation (CA) scheme has not been uploaded in the appropriate column. Further, the KML file for 9.6 ha does not match the shape in the digital map. Moreover, the proposed CA area is not marked in the toposheet. Therefore, the digital map/toposheet may be revised accordingly.	The revised CA scheme has been prepared in accordance with the norms and has been successfully uploaded in the appropriate column of Part-II at Sr. No. 13 (ii). The mismatch between the DGPS map and the KML file has been rectified. The corrected files have been uploaded accordingly. Additionally, the revised and legible copy of toposheet with the marked CA area has been uploaded in the designated column.

This is for favour of information and further necessary action please.
