1	In online application the name of the UA has been reported as "BHUVANA VIZAG" whereas the authorization certification and other documents wherein reported as "Om Bhuvaneshwari Sansthan Trust" Visakhapatnam. Hence, discrepancy in the name of the UA need clarification.	It is respectfully submitted that, with limited knowledge and inadvertently Name of the User Agency has been mentioned as BHUVANAVIZAG in online application. However in all documents/certificate the name of the User Agency has been mentioned as "OM BHUVANESWARI SANSTHAN TRUST" Visakhapatnam. Hence error made in the online application may be condoned. And our email address is bhuvanavizag@gmail.com .
2	An extent of 1.76 ha has been proposed for temple area falling in RF including Core area and Temporary area of structure and open area for pilgrims. However, detailed component wise breakup and justification for the same not been provided. Moreover, as per the layout plan submitted by the State Government, the UA proposed to breakup fresh forest area in the hill top	As directed/suggested by the Integrated Regional Office, MoEF&CC, Vijayawada, one of the components have been avoided in the forest area and accordingly it is finalized to take up only important and necessary activities like construction of temple at the same place, where existing temporary structures are existing and other pilgrims services related structures like shelter for serving food/ prasadam, toilets.
