Sir,

With reference to your letter F.No. 3-MN C 067/2020-SHI/3399-3400 dated 7th March, 2023 addressed to the Addl. Chief Secretary, Forest and Environment Department, Government of Manipur and a copy endorsed to this office on the subject indicated above, I am to furnish the information sought in the letter for taking up further necessary action.

Sl. No.	Additional Information Sought	Remarks
1.	Revised/updated Mining and Mine closure plan is required, before grant of Stage-I approval.	Revised/updated Mining and Mine closure plan has been submitted by UA (Copy enclosed as Annexure-I)
2.	The proposed CA has been examined under DSS at MoEFCC, as per observation by Ministry the proposed CA land is having encroachment of Agriculture land and presence of Transmission line (as indicated in DSS report). Therefore, this may be clarified by State Govt as to whether the dwarf species (preferably medicinal plants) shall be planted within the ROW under transmission line or 1600 plants shall be planted per hectare as per CA scheme. The CA scheme should account for the same provisions as well.	A new CA site has been proposed by DFO/Noney. CA scheme for the new site alongwith Maps is enclosed as Annexure-II (A,B,C & D)
3.	Further, the CA area is with encumbrances (agriculture encroachment and transmission line). The CA area should be free from any such encumbrances or it may be revised and accordingly revised KML files may be submitted.	Soft copy of KML of the new CA site enclosed in CD. Site suitability certificate for the new CA site from DFO is enclosed as Annexure-III
