Subject: - Proposal for diversion of 25.00 ha of forest land for resettlement of Bru-Migrants of Mouja- Manu-Chailengta RF in favour of SDM, Kanchanpur under North Tripura

Reference:- Your letter No.F.6-1274/FC/For-2020/40143 dated 16/12/2020

Sir,

With respect to the above mentioned subject & reference, I am submitting here with the information at **Sl. No. i & ii** in connection with diversion of 25.00 ha of forest land for resettlement of Bru-Migrants at location Mouja- Manu-Chailengta RF in favour of SDM, Kanchanpur under North Tripura, The details are given below.

i. The land selected here was suitable for ANR plantation, since other identified suitable degraded forest areas under North Tripura district have been identified for other projects including the CAMPA plantation projects and other schemes of the forest department, so to suit the availability of the said project, the current land and accordingly the ANR project was proposed for the same.

ii. Five GPS coordinates of the CA land (area) has been submitted for your kind consideration.

Sl No.	Degraded Forest Land 70 Ha- GPS locations
1	24.158678° 92.273027°
2	24.158691° 92.281541°
3	24.153046° 92.274441°
4	24.154248° 92.283225°
5	24.157132° 92.277590°

vi. There needs to be rehabilitation of the locale people in various avenues including the government sector if possible in town areas so that the pressure on the forests is reduced, there can be vocationally training to start with, the administration may plan the same accordingly.

This is for favour of your kind information and doing the needful.

Yours faithfully

CARTOGRAPHY ON ORIGINAL MOUJA MAP OF SHEET NO. 11 OF MANU CHALENGTA RF UNDER
 REVENUE CIRCLE- ANANDABAZAR SUB-DIVISION, KANCHANPUR SUB-DIVISION, NORTH TRIPURA

- (v) a) Only 18.392 Hac Khas land (revenue land) is available in Manuchailengta RF mouja.
 b) The available Khas land (revenue land) is not contiguous and not adequate for settlement of 1000 families.
 c) Type of Khas land (revenue land) is Cherra, Nadi, path etc. which is not found to be suitable for settlement.
 d) Brus being primitive tribal group also prefer forest land for settlement.
 c) Khas land is not free from encumbrance in most cases, as local objection has been raised.
- (vi) State Government is planning for the holistic development of bru IDP's after resettlement.
- a) Their settlement location will be fenced to reduce strain on neighboring areas.
 b) MGNREGA cards will be provided to discourage jhumming and collection of forest produce.
 c) Skill development training in traditional crafts, food processing and small scale industries are in the pipeline. Tailoring and beauty parlour has been preferred by the women for livelihood. Keeping this in mind, Government has also decided to provide the same to IDP women.
 d) With high quality education and scholarships assured to the younger generation, dependence on forest would eventually be minimal.
 e) SHG formation under TRLM is contemplated.
 f) Ujjwala scheme for free LPG connection will be implemented for reducing dependence on firewood.

This is for favour of your kind information and doing the needful please.
