No. DIV 569/_____

Dated, Kullu, the: _____

From: C. F Kullu

To: Nodal Officer-cum-APCCF (FCA)
O/o Pr.CCF (HoFF) H.P. Shimla.

Subject: Diversion of 0.4476 ha (instead of 0.5959 ha.) of forest land in favour of M/s Pharari Power Pvt. Ltd. H. No.99 Ward No.8 Dhalpur, Kullu for the construction of Pharari SHEP 2.0 MW within the jurisdiction of Kullu Forest Division, HP. (Proposal No.FP/HP/HYD/41259/2020).

Memo:

Refer to your office letter-no. No.Ft.48-3980/2019 (FCA) dated 25.10.2025, on the above cited subject.

The point wise reply to the EDS is given as under:-

Sr. No.	EDS	EDS reply
1	In response to the observation No. 1 & 2 area has been revised but same may be reviewed as per the total area in Part-I and Part-II.	In this regard, the revised proposal folder has been uploaded by UA at Sr. No. 32 in additional information of Part- I.
2	The reply of observation No. 7 is still not accepted, as proposed area is part of protection Working circle, hence, observation may be reviewed and replied accordingly.	The proposed area is DPF (2/40 Majhlban & 2/41 Peting) and UPF (Baragarh-III). The DPF area falls under FIR working Circle and accordingly necessary correction has been made in Part-II. Further, Copy of working Plan has been uploaded in additional information of Part- II.
3	The Govt. of India has asked for preparation of plantation scheme for 895 trees but scheme as uploaded against the appropriate column is not prepared as per direction.	Needful has been done. CA Scheme for 895 Plants has been prepared and copy of the same has been uploaded in column no. 13 (ii) of Part- II.
4.	The reply of observation No. 14 and its sub point has not been addressed as not such documents found uploaded in online portal. The point	The Point wise reply of the observation No. 14 is given below 1. List of approved/existing/

	<p>wise reply is required to be uploaded online portal and relevant documents are required to be uploaded separately.</p> <ol style="list-style-type: none"> 1. List of approved/ existing/ proposed projects in the river/ rivulet basin/ landscape. 2. KML/ SoI/ Digital maps and their distances from PAs/ESZs. 3. Approved Capacity of the river/rivulet alongwith evacuation/ transmission plan. 4. Progressive detail/ status of area treated and funds utilized under comprehensive CAT plan for Beas River Basin, if applicable 5. Detailed comments on the holistic assessment and the impact of the proposed project on wildlife and nearby PAs in the landscape may be provided. 	<p>proposed projects in the river/rivulet basin/ landscape has been uploaded at Sr. No. 42 against additional information of Part- I .</p> <ol style="list-style-type: none"> 2. The KML File of the approved/existing/ proposed projects and their distances from PAs / ESZs has been send to nodalofficerfcahp@yahoo.com on dated 28.01.2026 <p>Further, SOI/ Digital map has been uploaded in Sr. No. 42 in additional information of Part- 1.</p> <ol style="list-style-type: none"> 3. Approved capacity of the river/rivulet and evacuation/ transmission plan has been uploaded at Sr. No. 28 & 40 respectively. 4. The approved capacity of the project is 2.0 MW which is < 10 MW, therefore CAT plan is not applicable in this project. 5. The detailed comment on the holistic assessment has been uploaded at Sr. No. 44 in additional information of Part-1.
5.	In reply to point No.16 of Govt. of India, the density as mentioned in NPV bill is still not matching with the density mentioned in online	The necessary correction has been made in Column no. 4(i) of Part- II

	Part-II	
6	In reply to point No. 17 of Govt. of India, the detail regard power evacuation plan is not downloadable are required to be uploaded again	The Power evacuation plan along with approval letter of HPPTCL has been uploaded at Sr. No. 40 in additional information of Part-II.
7	<p>The reply to point No. 18 and its sub points are not attended as asked by Govt. of India. The reply to observations should strictly accordance to observation.</p> <ol style="list-style-type: none"> 1. Total Carrying Capacity of the Beas river Basin in term of power generation. How much is utilized so far and how much is yet to be utilized by the state Govt. 2. Since the Project is below 25 MW and does not cover under the provisions of EIA 2006. Therefore Mitigative Measures would be addressed by the State Govt. for the Project. 	<p>The Point wise reply of observations No. 18 is given below.</p> <ol style="list-style-type: none"> 1. The total carrying capacity of the Beas River basin is 5686.60 MW and letter in this regard from DoE, HP has been uploaded at Sr. No. 43 in additional information of Part- 1. 2. U/A has submitted that the mitigative measures would be addressed by way of SMCP & WLMP, if applicable. The cost of the same will be deposited into CAMPA funds alongwith compensatory levies as per the approved plan.
