Sir,

The Government of India, Ministry of Environment, Forest and Climate Change, New Delhi vide letter under reference No.1 has sought compliance on 18 points. Accordingly, the Chief Conservator of Forests (T), Pune vide letter under reference No. 2 & 3 has submitted the compliance of shortcoming in this regard to this office. The compliance report as desired by Government of India vide letter dt.07/08/2023 is submitted as under:-

Sr. No.	Shortcomings	Compliance
i	It has been mentioned that the 0.4620 ha area proposed for diversion is part of the 55.74 ha area already diverted in favour of ARAI. The justification and reasons for submitting a fresh diversion proposal instead of applying for re-diversion of forest land is required to be submitted. Upon receipt of same the further decision for acceptance of the proposal in the present form can be taken by the ministry.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>The Central Government has granted final approval to ARAI, Pune on Dt.24.07.2008. But PCCF (HOFF, Nagpur vide his letter no.581/09-10 dt.29/06/2009 has instructed CCF Pune office that, As per the instructions of the Government, ARAI Pune, the project authority has not fulfilled the Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 the state government has been informed about the further orders from the government level. But till now no direction has been received from the government level. Also, the decision of the state government on issue no.15 is expected. The 55.74 ha. forest area should not hand over and also, no work should be done in relation to the subject project. " Hence the project authority has not completed compliance of Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest</p>

		Rights) Act,2006 till today. So the State govt has not issued the diversion order for 55.74 ha forest land in favour of ARAI. Therefore ARDE has submitted the 0.462 ha.fresh proposal.
ii	The DFO in his Site inspection report has mentioned that out of 0.4620 ha only 0.15 ha overlaps with the the earlier diversion which is at variance with the information submitted by the state. The same needs clarification.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>The then Deputy Conservator of Forests, Pune has mentioned this in detail in Part II about diversion of 55.74 ha. forest area to ARAI under Forest (Conservation) Act 1980 the final approval accorded by the Central Government, MOEF & CC, New Delhi vide letter dt.24/07/2008. Out of the 55. 74 hectare forest area sanctioned for ARAI 0.15 ha. found to be overlapping with ARDE proposal and remaining 0.3120 ha area of ARDE proposal is reserve forest area which was not included in ARAI proposal, thus total area proposed by ARDE is 0.4620hectare . For better understanding of area statement and ground position, map has been attached herein as Annexure A.</p>
iii	An area of 55.74 ha forest land was diverted vide the Ministry's letter No. 8- 15/2007-FC dated 24.07.2008 in favour of Automotive Research Association of India (ARAI) whereas the instant proposal for diversion of 0.462 ha has been submitted by the Armament Research and Development Establishment (ARDE) Therefore, the copy of NoC from the ARAI in this regard needs submission.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>The User Agency has submitted the copy of the MoU is enclosed herewith as (Annexure No.B)</p>
iv	The State Govt. has reported that the possession of 98.045 ha forest land out of 105.74 has been taken back from the later, excluding the 7,695 ha. which is still under possession of ARAI. Whereas only 55.74 ha forest land was diverted by the Central Govt. under the FCA, 1980 in favour of ARAI. Therefore, the details of work done in the 55.74 ha forest land, present status of 7.695 ha forest land along with a report on the 98.045 ha forest land shall be submitted.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>In the year 1971 Maharashtra Govt.letter no.FLD-1971/32250-W dt.09/11/1971 has granted 105.74 ha. forest land of survey no 102 of village-kothrud to ARAI on lease basis for 30 year. In above letter condition no.5 is ARAI has allowed to construct only 2 ha.area on the said land. But ARAI has constructed 7.695 ha. on forest area. Meanwhile Forest (Conservation) Act 1980 has enacted on dt.25.10.1980 lease stands terminated. But remaining 98.045 ha. area was and is in the possession of forest department.</p> <p>During 2007 ARAI has submitted 55.74 ha. forest land diversion proposal under Forest (Conservation) Act 1980. This 55.74 ha. forest area is diverted to ARAI under Forest (Conservation) Act 1980 by Central Government ,MOEF &CC New Delhi vide letter dt.24/07/2008. But this land has not been handed over to ARAI.</p> <p>Out of 105.74 Ha. forest area 7.695 Ha. area is possession with ARAI and remaining 98.045 ha.area is managed by forest department. In this area plantation under various schemes has been carried out which includes 50.0 ha.forest area is worked under CAMPA Green Belt in the year 2013.14, 6ha. is under bamboo plantaion, 2.5 ha.local species</p>

		<p>tall plantation (year 2019.20), under the 50 crore tree plantation scheme, plantation done on 10.00 hectares of forest area, remaining 29.5 ha. is under Glericidia old plantaion. Abstract of area under consideration is given in table below,</p> <table><tr><td>Location name</td><td>Kothrud</td></tr><tr><td>Survey No</td><td>102</td></tr><tr><td>Area in possession of ARAI</td><td>7.695</td></tr><tr><td>Forest area possessed and managed by forest department</td><td>98.045 ha.</td></tr><tr><td>Total</td><td>105.74</td></tr></table>	Location name	Kothrud	Survey No	102	Area in possession of ARAI	7.695	Forest area possessed and managed by forest department	98.045 ha.	Total	105.74
Location name	Kothrud											
Survey No	102											
Area in possession of ARAI	7.695											
Forest area possessed and managed by forest department	98.045 ha.											
Total	105.74											
v	From the information submitted by the state Government it appears that 105.74 ha land was in possession of ARAI against the 55.74 ha allowed to be diverted by the Central Govt. A detailed clarification in this regard needs submission.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>As on today only 7.695 ha. is in possession of ARAI. Total 55.74 ha is allowed to be diverted including above mentioned 7.695 ha.</p>										
vi	It has been informed that the State govt has so far not issued the diversion order for 55.74 ha forest land in favour of ARAI and the matter is still under consideration. In such circumstances the justification as to how the possession of the land has been handed over/taken over by the ARAI needs submission. The reasons for not issuing the diversion order in case of 55.74 ha forest land shall also be elaborated.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>PCCF & HoFF,State of Maharashtra vide his letter no.581/09-10 dt.29/06/2009 has instructed to CCF (T), Pune office that “ As per the instructions of the Government, ARAI, Pune, the project body has not furnished certificate the Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006,hence until the further orders of the state government area (55.74 ha.) should not be handed over to ARAI.”</p>										
vii	The State Govt. reported that the present user agency i.e. ARDE has developed several stores and services in the village Kothrud and due to increased defence related services and communication, the user agency would have a requirement of 0.462 ha forest land to establish the direct approach/ link between its different complexes. The details of forest land involved in the ARDE complex and approvals accorded in this regard needs submission.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>In accordance with the said query, the compliance given by the project authority is being enclosed herewith. (As Annexure - 3) they mentioned that No Forest land is presently involved in the ARDE complex.</p>										
viii	The status of compliance of the conditions stipulated in the 55.74 ha forest land and other approvals accorded (if any) shall be submitted.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>In this regard, it is mentioned that the Central Government has granted final approval to ARAI, Pune on 24/07/2008. Accordingly, DCF, Pune office has informed this Office on 11/06/2009 that the project authority has fulfilled all the conditions given by the Central Government. (Copy attached) But PCCF & HOFF,Nagpur vide his letter no.581/09-10 dt.29/06/2009 has instructed to this office that, As per the instructions of the Government, ARAI, Pune, the project authority has not fulfilled the Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 the state government has been informed about the further</p>										

		orders from the government level. But till now no direction has been received from the government level. Also, the decision of the state government on issue no.15 is expected. The 55.74 ha. forest area should not hand over and also, no work should be done in relation to the subject project. ” (copy is attached) Hence the project authority has not completed compliance of Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 still today. So the State govt has not issued the diversion order for 55.74 ha forest land in favour of ARAI.
ix	It has been reported by the DFO in his SIR that the Nodal Officer Maharashtra had recommended ARDE to make proposal of 9.44 ha whereas the user agency has submitted proposal for diversion of 0.4620 ha forest land. A detailed justification in this regard including the basis of calculation of above requirements needs submission.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>In this regard, it is mentioned that this facts are not mentioned in Site Inspection Report but in part II DFO gave reference that “The APCCF & Nodal Officer, Maharashtra state, Nagpur in his letter dated 04/03/2021 has Recommended ARDE to make proposal of 9.44 ha. under Forest (Conservation) Act, 1980, meanwhile ARDE has submitted proposal of 0.4620 ha. which is recommended for diversion & the proposed road to be open for use of forest department at all time. This proposal of road under FCA 1980 by ARDE is being forwarded for necessary action in the national interest as the ARDE is an Institution under control of the Defence Production Dept. Under the Defence Ministry” The letter sent to the government as per letter no. 1308 dated 4/3/2021 from the office of the Principal Chief Conservator of Forests (HOFF) Nagpur. According to the letter dated 14.05.2019 of Maharashtra state a report was requested on 3 points. According to these 3 points, it was directed that ARDE should submit a report to the government about how many hectares of area is required. Accordingly, letter No. 1308 dated 04/03/2021 from the office of the Principal Chief Conservator of Forests (HOFF) Nagpur In that letter they have mentioned that ARDE should submit a proposal under Forest (Conservation) Act 1980 for an area of 9.44ha. However, it is seen from the proposal from ARDE under Forest (Conservation) Act 1980 submitted to the government that ARDE needs only 0.4620 hectares of forest area. Hence all these things are mentioned in hard copy of the part 2 report of this office in this FCA proposal. Finally area required by ARDE 0.4620 ha. only</p>
x	The site specificity of the proposal shall be re-examined and a detailed report along with KML files of alternatives examined with relevant maps shall be submitted.	<p>The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-</p> <p>In accordance with the said query, the 3 alternatives are examined and this map is already attached on page no.11 in the proposal file copy. In the 3 alternatives, alignment no.1 is selected for this proposal which requires diversion of forest area 0.4620 ha. is minimum. Also KML files is attached herewith.</p>

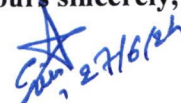

xi	The PCCF (HOFF) recommended the proposal subject to construction of under-pass for safe crossing of wild animals whereas the details of wild animals has been reported in online Part-II as Nil. Therefore the same needs justification	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- In view of the present issue, Principal Chief Conservator of Forests (HOFF) Nagpur has indicated that if wild animals come to the place, they need an under-pass for easy access.
xii	The State Govt. reported that the ARDE & ARAI has now signed a MoU on 20.01.2021. The copy of the same shall be submitted.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- In accordance with the said query, the compliance given by the project authority is being enclosed herewith as (Annexure No.II)
xiii	The KML file/ Shape-file of 55.74 ha diverted forest land in favour of ARAI shall be submitted.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- In this regard, it is mentioned that the said proposal was of the year 2007, at that time the kml file was not included in the proposal, so the KML file has been prepared from the hard copy of the 55.74hectare forest diversion map in the said proposal which is attached herewith in CD.
xiv	The correct KML/ Shape-file of 0.462 ha shall be uploaded on PARIVESH.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- The correct KML/ Shape-file of 0.462 ha is now uploaded on PARIVESH.
xv	The KML/ Shape-file of the two defence complex sites i.e. ARDE & DRDO shall also be submitted.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- The KML/ Shape-file of the two defence complex sites i.e. ARDE & DRDO is enclosed herewith in C.Ds.
xvi	Two forest compartment boundary have been uploaded in Part-1 form of PARIVESH, out of which the proposed forest land for diversion is located in only one patch. Therefore, the reason for uploading two forest compartment boundary needs clarification.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- The corrected KML file by user agency, Area from Compt.No.172 (village-Kothrud Survey No.102) is proposed for diversion is uploaded in Part-1 form on PARIVESH.
xvii	As per the DSS analysis, a road has already been constructed after the year 2019 in the area proposed for diversion. Whereas the State Govt has not reported any violation of FCA, 1980 in the instant case. The same needs clarification.	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:- It is pointed out that the diversion route proposed by ARDE is a route used by the Forest Department for protection and conservation of the said area. Although the said diversion route has been proposed by ARDE, it will be managed by the Forest Department. There is no violation of FCA, 1980 at this place.
xviii	As per DSS analysis, the site proposed for Compensatory Afforestation is devoid for vegetation cover and some construction work is going on near the proposed site. Moreover, it appears that the area proposed for CA is	The Chief Conservator of Forests (T), Pune on 03/05/2024 & 19/06/2024 has mentioned in its compliance as shown as under:-

	<p>isolated which may be prone to encroachments and nay not be easy to manage. The State shall reexamine the Compensatory Afforestation area and ensure that the same is suitable for plantation and management point of view.</p>	<p>It is submitted that 1.00hectares of degraded forest area in Gut No.791 & 792 of village Shirsufal, tal-Baramati district, Pune was transferred to the revenue department in the year 1902. In the year 2009, the said forest area was taken over by the forest department. However, at the time when the said area was in the possession of the revenue department, it has been encroached on a large scale. However, there is no encroachment in the forest area that is in the possession of the forest department, and it is suitable for compensatory afforestation, so an area of 1.00 ha. has been selected for compensatory afforestation is suitable.</p>

In view of the above facts, the aforesaid compliance submitted for further needful action.

Encl-As above.

Sir,

As per reference letter no.1 cited above MOEF, New Delhi Office has raised i to xvii queries in the mentioned proposal. Regarding this APCCF & Nodal Officer M.S.Nagpur's has instructed for query compliance to user agency and division forest office. Therefore this office has directed to user agency for compliance of query no.i,iii,,vii,x,xii,xiv,xv,xvi vide reference letter no.3 & 5 accordingly.

According to the queries present in the case, the project authority has submitted the query compliance report to this office as per the reference letter no.4 and 6. Therefore this office has submitted detailed compliance report to your office vide above reference letter no.7. Meanwhile vide above reference letter no.8 the APCCF & Nodal Officer M.S.Nagpur's has raised 1 to 9 queries in the mentioned proposal. This

letter copy is also marked to Technical Officer, ARDE, Pashan, Pune. Regarding this Group Director (planning) ARDE Pashan Pune has given there compliance letter to this office vide above reference letter no. 9 & 10. There for the query raised in the reference letter no. 8 from the APCCF & Nodal Officer M.S. Nagpur are being complied as follows.

Query no.	Query	Compliance
1	<p>It has been mentioned that the 0.462 ha area proposed for diversion is part of the 55.74 ha area already, diverted in favour of ARAI. The justification and reasons for submitting a fresh diversion proposal instead of applying for re-diversion of forest land is required to be submitted. Upon receipt of same the further decision for acceptance of the proposal in the present form can be taken by the ministry.</p> <p>Proper Justification not mentioned by CCFF (T) Pune office in its query compliance letter.</p>	<p>In this regard, it is mentioning that the Central Government has granted final approval to ARAI Pune on Dt. 24.07.2008. But PCCF & HOFF, Nagpur vide his letter no. 581/09-10 dt. 29/06/2009 has instructed to this office that, As per the instructions of the Government, ARAI Pune, the project authority has not fulfilled the Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 the state government has been informed about the further orders from the government level. But till now no direction has been received from the government level. Also, the decision of the state government on issue no. 15 is expected. The 55.74 ha forest area should not hand over and also, no work should be done in relation to the subject project. Hence the project authority has not completed compliance of Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 still today. So the State govt has not issued the diversion order for 55.74 ha forest land in favour of ARAI. Therefore ARDE has submitted the 0.462 ha fresh proposal.</p> <p>However as the raised query point you are required to give you Justification.</p>
2	<p>An area of 55.74 ha forest land was diverted vide the Ministry's letter No. 8-15/2007-FC dated 24.07.2008 in favour of Automotive Research Association of India (ARAI) where as the instant proposal for diversion of 0.462 ha has been submitted by the Armament Research and Development Establishment (ARDE) Therefore, the</p>	<p>In accordance with the said query, the compliance given by the project authority is being enclosed herewith. (As Annexure - 1)</p> <p>However as the raised query point you are required to give you Justification.</p>

	copy of NoC from the ARAI in this regard needs submission. Proper Justification not mentioned by CCF (T) Pune office in its query compliance letter.	
3	The State Govt. reported that the present user agency i.e. ARDE has developed several stores and services in the village Kothrud and due to increased defence related services and communication, the user agency would have a requirement of 0.462 ha forest land to establish the direct approach/ link between its different complexes. The details of forest land involved in the ARDE complex and approvals accorded in this regard needs submission. Proper Justification not mentioned by CCF (T) Pune office in its query compliance letter.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith. (As Annexure - 2) they mentioned that No Forest land is presently involved in the ARDE complex. However as the raised query point you are requested to give you Justification.
4	The site specificity of the proposal shall be re-examined and a detailed report along with KML files of alternatives examined with relevant maps shall be submitted.	In accordance with the said query, the 3 alternatives are examined and this map is already attached on page no.11 in the proposal file copy. In the 3 alternative alignment no.1 is selected for this proposal which requires diversion of forest area 0.4620 ha. minimum. Also KML files is attached herewith.
5	The State Govt. reported that the ARDE & ARAI has now signed a MoU on 20.01.2021. The copy of the same shall be submitted. Proper Justification not mentioned by CCF (T) Pune office in its query compliance letter.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith. (As Annexure - 1) However as the raised query point you are requested to give you Justification.
6	The KML file/ Shape-file of 55.74 ha diverted forest land in favour of ARAI shall be submitted.	In this regard, it is mentioned that the said proposal was of the year 2007, at that time the kml file was not included in the proposal, so the KML file has been prepared from the hard copy of the 55.74 hectare forest diversion map in the said proposal which is attached herewith in CD.
7	The correct KML/ Shape-file of 0.462 ha shall be uploaded on PARIVESH.	In accordance with the said query, the compliance given by the project authority by above reference letter

		no.9 & 10 in its mentioned that they are uploadi correct KML file on PARIVESH portal. Also CD enclosed herewith.
8	The KML/ Shape-file of the two defence complex sites i.e. ARDE & DRDO shall also be submitted.	In accordance with the said query, the compliar given by the project authority is being enclos herewith in CD.
9	KML file of diverted area,3 alternative alignment and KML file of 55.74 ha.already been diverted area not submitted properly.The properties starting point and ending point not shows.The revised KML file of the said needs to be submitted in 3 copy of C.D's	In accordance with the said query, the compliance being enclosed herewith in CD.

Herewith above Compliance report is submitted in 4 copies for kindly information and necessary pro ss.

MINUTES OF MEETING HELD BETWEEN ARAI AND ARDE ON 20TH JANUARY 2021 AT 14.00 Hr., IN THE OFFICE OF DIRECTOR - ARDE, PASHAN, PUNE

MEMBERS PRESENT:	
ARAI	ARDE
Dr. REJI MATHAI DIRECTOR - ARAI	Dr. V. V. RAO DIRECTOR - ARDE
Mr. N V MARATHE SR. DEPUTY DIRECTOR	Mr. P W SONWANE SCIENTIST 'G', GROUP DIRECTOR
Mr. ABHAY MANNIKAR SR. DEPUTY DIRECTOR	COL. C HARI CHAREN OFFICER INCHARGE
Mr. SHIRISH DABIR GENERAL MANAGER	Mr. N K DHAVALE TECHANICAL OFFICER 'C'
Mr. C S MUKHEDKAR GENERAL MANAGER	

SUBJECT:

1. ARDE's requirement regarding use of ARAI allotted land and Forest Land at Survey No. 102, Kothrud, to access ARDE's Kothrud land at Survey No. 103, 104 & 105, from ARDE's land in Pashan.
2. ARAI's requirement of NOC from ARDE with respect to fulfillment of Condition No. 15 as stipulated in Letter No. 8-15/2007-FC dated 24th July 2008, to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, for diversion of 55.74 Ha of forest land in favour of ARAI.

ARAI and ARDE representatives discussed the above cited subjects in great details and arrived at following mutually acceptable solution:

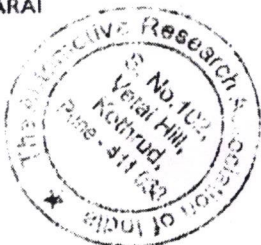

1. ARAI agreed and consented to the request of ARDE, to allow use of ARAI allotted land at Survey No. 102 at Kothrud, to access ARDE's Kothrud land at Survey No. 103, 104 and 105 from ARDE's land in Pashan, as indicated in the requested path by ARDE. ARDE & ARAI agreed that no boundary wall or barrier gates will be constructed in the ARAI allotted land in Survey No. 102 at Kothrud along this requested access road (as per Sketch 1 and as marked "A").

During the discussions, ARDE clarified that a gate and road will be constructed for entry and exit (as shown in Annexure 1 and as marked "B"), to access ARDE's land in Kothrud. The responsibility of seeking the necessary approvals from Forest or any other Depts., shall be of ARDE.

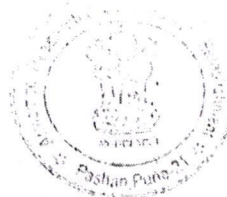

ARDE accepted ARAI's request to use access road on case to case basis, which will be made by ARDE in Survey No. 103, 104 and 105, in cases of exigency, if any, to access ARAI land in Survey No. 102.

2. ARDE accepted ARAI's request for issuing NOC to ARAI with respect to fulfillment of Condition No. 15, which states "Diversion of land may be done after considering the issue of ARDE also", as stipulated in letter No. 8-15/2007-FC dated 24th July 2008 to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, in this regard.

Dr. REJI MATHAI
DIRECTOR - ARAI

Dr. V. V. RAO
DIRECTOR

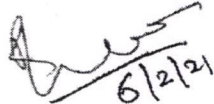

With the above understanding between ARAI and ARDE, it was jointly agreed by and between both the organizations, that:

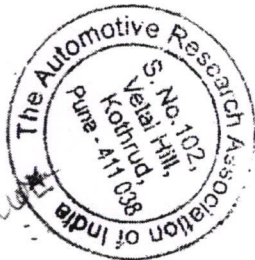

- A) ARAI has given consent (NOC) to ARDE to use the existing track/path in ARAI allotted land in Survey No. 102 at Kothrud to access ARDE's property at Kothrud from ARDE's property at Pashan, with the conditions agreed by and between both the organizations, as stated in Point No. 1 above and the details of access road as shown in Sketch 1.
- B) ARDE has given consent (NOC) to ARAI with respect to fulfillment of Condition No. 15, which states "**Diversion of land may be done after considering the issue of ARDE also**", as stipulated in Letter No. 8-15/2007-FC dated 24th July 2008 to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, in this regard. Therefore, this condition no 15, now stands fulfilled and completed.

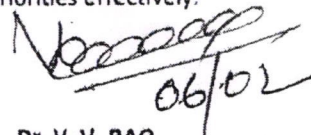

These Minutes of Meeting shall be construed and referred itself as a NOC from both the parties to each other for fulfillment of Conditions with respect to above Point No. "A" and "B", for any requirements to be fulfilled by both the organizations with respect to Forest Department or any other Statutory Body/ies henceforth.

The meeting was concluded with a vote of thanks to the Directors of both the organizations for arriving at successful resolution of the long pending issues between ARAI and ARDE and allowing both the organizations of National importance to collaborate and pursue their priorities effectively.

With reference to above mentioned subject MOEF New Delhi office has raised 1 to 18 queries vide reference letter no. 1. In this regard APCCF&Nodal,Nagpur officer. Nagpur has directed for compliance report vide reference letter no.2.

Deputy Conservator of Forest, Pune has submitted compliance report of queries vide reference letter no.3 (copy is attached) Hence the detailed compliance compliance report is submitting as follow.

Query no.	Query	Compliance
i	It has been mentioned that the 0.462 ha area proposed for diversion is part of the 55.74 ha area already diverted in favour of ARAI. The justification and reasons for submitting a fresh diversion proposal instead of applying for re-diversion of forest land is required to be submitted.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.

	Upon receipt of same the further decision for acceptance of the proposal in the present form can be taken by the ministry.	
ii	The DFO in his Site inspection report has mentioned that out of 0.4620 ha only 0.15 ha overlaps with the the earlier diversion which is at variance with the information submitted by the state. The same needs clarification.	The then Deputy Conservator of Forests, Pune has mentioned this in detail in Part .2 About diversion of 55.74 ha. forest area to ARAI under Forest (Conservation) Act 1980 the final approval accorded by the Central Government ,MOEF &CC New Delhi vide letter dt.24/07/2008.Out of the 55.74hectare forest area sanctioned for ARAI 0.15 ha. Area found tobe Overlapping with ARDE proposal and remaining 0.3120 ha area of ARDE proposal is reserve forest area which was not included in ARAI proposal, thus total area proposed by ARDE is 0.4620hectare . For better understanding of area statement and ground position, map has been attached herein as Anne nexure A
iii	An area of 55.74 ha forest land was diverted vide the Ministry's letter No. 8-15/2007-FC dated 24.07.2008 in favour of Automotive Research Association of India (ARAI) whereas the instant proposal for diversion of 0.462 ha has been submitted by the Armament Research and Development Establishment (ARDE) Therefore, the copy of NoC from the ARAI in this regard needs submission.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.
iv	The State Govt. has reported that the possession of 98.045 ha forest land out of 105.74 has been taken back from the later, excluding the 7,695 a which is still under possession of ARAI. Whereas only 55.74 ha forest land was diverted by the Central Govt. under the FCA, 1980 in favour of ARAI. Therefore, the details of work done in the 55.74 ha forest land, present status of 7.695 ha forest land	In Year 1971 Maharashtra Govt.letter no.FLD-1971/32250-W dt.09/11/1971 has granted 105.74 ha. forest land of survey no 102 of village-kothrud to ARAI on lease basis for 30 year.In above letter condition no.5 is ARAI has allowed to construct only 2 ha.area on the said land.But ARAI has constructed on 7.695 ha. forest area. Meanwhile Forest (Conservation) Act 1980 has enacted on dt.25.10.1980 lease stands terminated. But remaining 98.045 ha.

	along with a report on the 98.045 ha forest land shall be submitted.	<p>area was and is in the possession of forest department.</p> <p>During 2007 ARAI has submitted 55.74 ha. forest land diversion proposal under Forest (Conservation) Act 1980. This 55.74 ha. forest area is diverted to ARAI under Forest (Conservation) Act 1980 by Central Government ,MOEF &CC New Delhi vide letter dt.24/07/2008.But this land has been not handed over to ARAI.</p> <p>Out of 105.74 Ha. forest area 7.695 Ha. area is possession with ARAI and remaining 98.045 ha.area is managed by forest department. In this area plantation under various schemes has been carried out which includes 50.0 ha.forest area is worked under CAMPA Green Belt in the year 2013.14, 6.0 ha. is under bamboo plantaion ,2.5 ha.local species tall plantation (year 2019.20) , under the 50 crore tree plantation scheme, plantation done on 10.00 hectares of forest area remaining 29.5 ha. is under Glericidia old plantaion. Abstract of area under consideration is given in table below,</p> <table><tr><td>Location name</td><td>Kothrud</td></tr><tr><td>Survey No</td><td>102</td></tr><tr><td>Area in possession of ARAI</td><td>7.695</td></tr><tr><td>Forest area possessed and managed by forest department</td><td>98.045 ha.</td></tr><tr><td>Total</td><td>105.74</td></tr></table>	Location name	Kothrud	Survey No	102	Area in possession of ARAI	7.695	Forest area possessed and managed by forest department	98.045 ha.	Total	105.74
Location name	Kothrud											
Survey No	102											
Area in possession of ARAI	7.695											
Forest area possessed and managed by forest department	98.045 ha.											
Total	105.74											
v	From the information submitted by the state Government it appears that 105.74 ha land was in possession of ARAI against the 55.74 ha allowed to be diverted by the Central Govt. A detailed clarification in this regard needs submission.	<p>As on today only 7.695 ha. Is in possession of ARAI. Total 55.74 ha is allowed to be diverted including above mentioned 7.695 ha.</p>										
vi	It has been informed that the State govt has so far not issued the diversion order for 55.74 ha forest land in favour of ARAI and the matter is still under consideration. In such circumstances the	<p>PCCF & HOFF,Nagpur vide his letter no.581/09-10 dt.29/06/2009 has instructed to this office that “ As per the instructions of the Government, ARAI, Pune, the project body has not furnished certificate the Scheduled</p>										

	justification as to how the possession of the land has been handed over/taken over by the ARAI needs submission. The reasons for not issuing the diversion order in case of 55.74 ha forest land shall also be elaborated.	Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006, hence until the further orders of the state government area (55.74 ha.) should not be handed over to ARAI."
vii	The State Govt. reported that the present user agency i.e. ARDE has developed several stores and services in the village Kothrud and due to increased defence related services and communication, the user agency would have a requirement of 0.462 ha forest land to establish the direct approach/ link between its different complexes. The details of forest land involved in the ARDE complex and approvals accorded in this regard needs submission.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.
viii	The status of compliance of the conditions stipulated in the 55.74 ha forest land and other approvals accorded (if any) shall be submitted.	In this regard, it is mentioned that the Central Government has granted final approval to ARAI, Pune on .2008/07/24 Accordingly, DCF, Pune office has informed the this Office on 2009/06/11 that the project authority has fulfilled all the conditions given by the Central Government. (Copy attached) But PCCF & HOFF, Nagpur vide his letter no.581/09-10 dt.29/06/2009 has instructed to this office that, As per the instructions of the Government, ARAI, Pune, the project authority has not fulfilled the Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 the state government has been informed about the further orders from the government level. But till now no direction has been received from the government level. Also, the decision of the state government on issue no.15 is expected. The 55.74 ha. forest area should not hand over and also, no work should be done in relation to the subject project. " (copy is attached) Hence

		the project authority has not completed compliance of Scheduled Tribes and Other Traditional Forest Dwellers (Enforcement of Forest Rights) Act, 2006 still today. So the State govt has not issued the diversion order for 55.74 ha forest land in favour of ARAI.
ix	It has been reported by the DFO in his SIR that the Nodal Officer Maharashtra had recommended ARDE to make proposal of 9.44 ha whereas the user agency has submitted proposal for diversion of 0.4620 ha forest land. A detailed justification in this regard including the basis of calculation of above requirements needs submission.	In this regard, it is mentioned that this facts are not mentioned in SIR but in part II DFO gave reference that " The APCCF & Nodal Officer, Maharashtra state, Nagpur in his letter dated 04/03/2021 has Recommended ARDE to make proposal of 9.44 ha. Under Forest (Conservation) Act, 1980, meanwhile ARDE has submitted proposal of 0.4620 ha. Which is recommended for diversion & the proposed road to be open for use of forest department at all time. This proposal of road Under FCA 1980 by ARDE is being forwarded for necessary action in the national interest as the ARDE is an Institution under control of the Defence Production Dept. Under the Defence Ministry " The letter sent to the government as per letter no. 1308 dated 2021/03/04 from the office of the Principal Chief Conservator of Forests (HOFF) Nagpur. According to the letter dated 14.05.2019 of Maharashtra state a report was requested on 3 points. According to these 3 points, it was directed that ARDE should submit a report to the government about how many hectares of area is required. Accordingly, letter No. 1308 dated 04/03/2021 from the office of the Principal Chief Conservator of Forests (HOFF) Nagpur In that letter they have mentioned that ARDE should submit a proposal under Forest (Conservation) Act 1980 for an area of 9.44 hectares. However, it is seen from the proposal from ARDE under Forest (Conservation) Act 1980 submitted to the government that ARDE needs only 0.4620 hectares of forest area. Hence all this things are mentioned in hard copy of the part 2 report of this office in this FCA proposal. Finally area

		required by ARDE 0.4620 ha. only
x	The site specificity of the proposal shall be re-examined and a detailed report along with KML files of alternatives examined with relevant maps shall be submitted.	In accordance with the said query, the 3 alternatives are examined and this map is already attached on page no.11. In the 3 alternatives, alignment no.1 is selected for this proposal which requires diversion of forest area 0.4620 ha. is minimum. Also KML files is attached herewith.
xi	The PCCF (HOFF) recommended the proposal subject to construction of under-pass for safe crossing of wild animals whereas the details of wild animals has been reported in online Part-II as Nil. Therefore the same needs justification	In view of the present issue, Principal Chief Conservator of Forests (HOFF) Nagpur has indicated that if wild animals come to the place, they need an under-pass for easy access.
xii	The State Govt. reported that the ARDE & ARAI has now signed a MoU on 20.01.2021. The copy of the same shall be submitted.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.
xiii	The KML file/ Shape-file of 55.74 ha diverted forest land in favour of ARAI shall be submitted.	In this regard, it is mentioned that the said proposal was of the year 2007, at that time the kml file was not included in the proposal, so the KML file has been prepared from the hard copy of the 55.74hectare forest diversion map in the said proposal which is attached herewith in CD.
xiv	The correct KML/ Shape-file of 0.462 ha shall be uploaded on PARIVESH.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.
xv	The KML/ Shape-file of the two defence complex sites i.e. ARDE & DRDO shall also be submitted.	In accordance with the said query, the compliance given by the project authority is being enclosed herewith.
xvi	Two forest compartment boundary have been uploaded in Part-I form of PARIVESH, out of which the proposed forest land for diversion is located in only one patch. Therefore, the reason for uploading two forest compartment boundary needs clarification.	The corrected KML file by user agency,Area from Compt.No.172 (vill-Kothrud s.no.102) is proposed for diversion is uploaded in Part-I form of PARIVESH.
xvii	As per the DSS analysis, a road has already been constructed after the year 2019 in the area proposed for diversion. Whereas the State Govt has not reported any violation of FCA, 1980 in the instant	It is pointed out that the diversion route proposed by ARDE is a route used by the Forest Department for protection and conservation of the said area. Although the said diversion route has been proposed by ARDE, it

	case. The same needs clarification.	will be also used by the Forest Department. There is no violation of FCA,1980 at this place.
xviii	As per DSS analysis, the site proposed for Compensatory Afforestation is devoid for vegetation cover and some construction work is going on near the proposed site. Moreover, it appears that the area proposed for CA is isolated which may be prone to encroachments and may not be easy to manage. The State shall reexamine the Compensatory Afforestation area and ensure that the same is suitable for plantation and management point of view.	It is mentioned in this regard that 1.00 hectares of degraded forest area in Gut No. 791, 792 of village Shirsufal, tal- Baramati district, Pune was transferred to the revenue department in the year 1902. In the year 2009, the said forest area was taken over by the forest department. However, at the time when the said area was in the possession of the revenue department, it has been encroached on a large scale. However, there is no encroachment in the forest area that is in the possession of the forest department, and it is suitable for compensatory afforestation, so an area of 1.0 hectares has been selected for compensatory afforestation is suitable.

As above mentioned compliance report is submitting herewith for your kindly information and necessary process.

Comments-

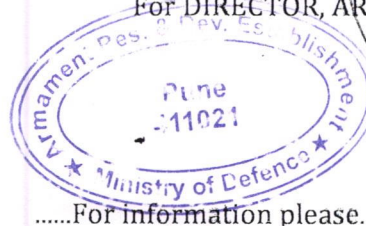

The Armament R&D Establishment (A Unit of DRDO) is a Defence Establishment amidst Pune city. In view of its Defence related services and communication, it is utmost necessary for this establishment to have direct approach/link between its different complexes. The proposed Link Road is required not only to ensure the communication needs of this organisation, but also to help the general civilian population by avoiding the risk and inconvenience caused to them because of transportation activities of Arms, Ammunition and Explosives of ARDE.

All the present alternatives available with this establishment pass through the busy public places and the civilian route of transport of which distance involved is about 10 Km. These alternatives are not at all suitable and advisable from Defence & Civilian's safety point of view. There is no other feasible option available with ARDE. Hence Land proposed for diversion is, thus, unavoidable.

MINUTES OF MEETING HELD BETWEEN ARAI AND ARDE ON 20TH JANUARY 2021 AT 14.00 Hr., IN THE OFFICE OF DIRECTOR - ARDE, PASHAN, PUNE

MEMBERS PRESENT:	
ARAI	ARDE
Dr. REJI MATHAI DIRECTOR - ARAI	Dr. V. V. RAO DIRECTOR - ARDE
Mr. N V MARATHE SR. DEPUTY DIRECTOR	Mr. P W SONWANE SCIENTIST 'G', GROUP DIRECTOR
Mr. ABHAY MANNIKAR SR. DEPUTY DIRECTOR	COL. C HARI CHAREN OFFICER INCHARGE
Mr. SHIRISH DABIR GENERAL MANAGER	Mr. N K DHAVAL TECHANICAL OFFICER 'C'
Mr. C S MUKHEDKAR GENERAL MANAGER	

SUBJECT:

1. ARDE's requirement regarding use of ARAI allotted land and Forest Land at Survey No. 102, Kothrud, to access ARDE's Kothrud land at Survey No. 103, 104 & 105, from ARDE's land in Pashan.
2. ARAI's requirement of NOC from ARDE with respect to fulfillment of Condition No. 15 as stipulated in Letter No. 8-15/2007-FC dated 24th July 2008, to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, for diversion of 55.74 Ha of forest land in favour of ARAI.

ARAI and ARDE representatives discussed the above cited subjects in great details and arrived at following mutually acceptable solution:

1. ARAI agreed and consented to the request of ARDE, to allow use of ARAI allotted land at Survey No. 102 at Kothrud, to access ARDE's Kothrud land at Survey No. 103, 104 and 105 from ARDE's land in Pashan, as indicated in the requested path by ARDE. ARDE & ARAI agreed that no boundary wall or barrier gates will be constructed in the ARAI allotted land in Survey No. 102 at Kothrud along this requested access road (as per Sketch 1 and as marked "A").

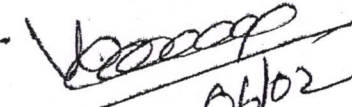

During the discussions, ARDE clarified that a gate and road will be constructed for entry and exit (as shown in Annexure 1 and as marked "B"), to access ARDE's land in Kothrud. The responsibility of seeking the necessary approvals from Forest or any other Depts., shall be of ARDE.

ARDE accepted ARAI's request to use access road on case to case basis, which will be made by ARDE in Survey No. 103, 104 and 105, in cases of exigency, if any, to access ARAI land in Survey No. 102.

2. ARDE accepted ARAI's request for issuing NOC to ARAI with respect to fulfillment of Condition No. 15, which states "**Diversion of land may be done after considering the issue of ARDE also**", as stipulated in letter No. 8-15/2007-FC dated 24th July 2008 to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, in this regard.

Dr. REJI MATHAI
DIRECTOR - ARAI

Dr. V. V. RAO
DIRECTOR

With the above understanding between ARAI and ARDE, it was jointly agreed by and between both the organizations, that:

- A) ARAI has given consent (NOC) to ARDE to use the existing track/path in ARAI allotted land in Survey No. 102 at Kothrud to access ARDE's property at Kothrud from ARDE's property at Pashan, with the conditions agreed by and between both the organizations, as stated in Point No. 1 above and the details of access road as shown in Sketch 1.
- B) ARDE has given consent (NOC) to ARAI with respect to fulfillment of Condition No. 15, which states **"Diversion of land may be done after considering the issue of ARDE also"**, as stipulated in Letter No. 8-15/2007-FC dated 24th July 2008 to Principal Secretary (Forests), Government of Maharashtra by Ministry of Environment and Forests (MoEF), Government of India, in this regard. Therefore, this condition no 15, now stands fulfilled and completed.

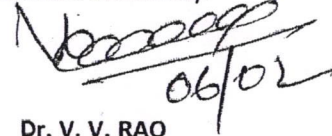

These Minutes of Meeting shall be construed and referred itself as a NOC from both the parties to each other for fulfillment of Conditions with respect to above Point No. "A" and "B", for any requirements to be fulfilled by both the organizations with respect to Forest Department or any other Statutory Body/ies henceforth.

The meeting was concluded with a vote of thanks to the Directors of both the organizations for arriving at successful resolution of the long pending issues between ARAI and ARDE and allowing both the organizations of National importance to collaborate and pursue their priorities effectively.
