Respected Sir,

With reference to the above subject. Hereby submitting the point wise compliance of queries
raised by vide ref as follow.

S.N.	Queries	Remarks
1	In the map provided by the user agency showing the alternative alignment it is not clear as to what are the 1, 2nd and 3rd alternative alignments and which is the most preferred alignment based on the extent of forest area to be diverted under each alignment. Thus, the user agency is requested to provide the above details.	User Agency Report Attached
2	The number of tree affected by the transmission line and the exact number of trees to be felled/pruned/trans located shall be provided.	Annexure-16 Attached
3	As the proposed are is within the ESZ of the Purna Wildlife Sanctuary, the User Agency is requested to provide feasibility for laying of underground transmission line or Aerial Bunched Cables (ABC) Instead of naked transmission line. the User agency has to make provision for Installation of Bird diverter or Bird deflectors if naked power transmission lines are used,	User Agency Report Attached
