No. FOR.665/Cons/2016/ 1106-09

Dated, Itanagar 21<sup>st</sup> March'2022.

To

Shri W.Longvah, IFS.  
Inspector General of Forests (C )  
Ministry of Environment, Forest & Climate Change,  
Integrated Regional Office, Guwahati,  
4<sup>th</sup> Floor, Housefed Building, G.S Road, Rukminigaon,  
Guwahati-781022

Sub:- Proposal for diversion of 4.60 ha forestland for construction of 132 KV transmission line from Dikshi Power House to existing Gridline Balipara-Khupi near Nechipu by M/s Devi Energy Pvt Ltd. in West Kameng District of Arunachal Pradesh.

Ref:- Your letter F.No. 3-AN B 109/2019-SHI/373-375 dated 13.04.32021.

Sir,

With reference to above letter on the subject, this is to enclose herewith following information:

1	The comment of the State Govt on the proposed area as 9 Nos. of polygons shape file out of total 12 Nos. submitted are found to be INVIOLEATE due to presence of hydrological layer as per the DSS report.	Generally the laying of transmission line is to be done through the forest areas avoiding human habitation as per the guidelines in extant. Moreover in case of transmission line, the tree felling is limited to the raising of towers at places, where the T/L comes in to the proximity of the trees and not all, but some of the trees only will be required to be felled. The cleared forest land is re-planted with dwarf species. Thus there will hardly be any impact on hydrological layer.
2	The original or colour scan SoI Toposheet map indicating the 3-alternate routes as sought in Integrated Regional Office, Shillong vide letter under reference (ii) above.	The colour scan SoI Toposheet map indicating the 3-alternate routes as submitted by the User Agency is enclosed.

It is therefore, requested to kindly issue necessary formal approval for diversion of 4.60 ha forest land for construction of above transmission line under Section-2 of the Forest (Conservation) Act'1980.

Yours faithfully,

(R.K. Singh),  
PCCF (A&V) & Nodal Officer (FCA)
