**Endt.No. 6138/2022/D**

**Dated:- 29-10-2022.**

Submitted to the Principal Chief Conservator of Forest's (Head of Forest Force), Chennai -32 with reference to Principal Chief Conservator of Forests Ref.No.TS3/15954/2022 Dated.18-10-2022.

The Wildlife Warden, Hosur has since furnished her reply to the points raised in the Principal Chief Conservator of Forests letter above and rectified the defects or short comings pointed out besides justifying the need for Wildlife Mitigation Plan. I agree with the Wildlife Mitigation Plan. For raising Compensatory Afforestation the Wildlife Warden has followed the model estimate communicated in Principal Chief Conservator of Forests Ref.No.TS4/22483/2022 Dated.13-10-2022 and the Compensatory Afforestation cost has been arrived at for Rs.29.564 Lakhs which can be accepted.

I therefore request the proposal for the diversion of 0.9846 Ha of forest land in favour of TANTRANSCO, Dharmapuri may kindly be forwarded to the Government and orders obtained and communicated.

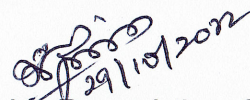

I request early action.

Encl. As stated above.

Yours faithfully  
Sd/- A.Periasamy,  
Conservator of Forests (FAC),  
Dharmapuri Circle,  
Dharmapuri.
