पत्रांक 3886 / 12-1 दिनांक, पिथौरागढ़, 30 मार्च, 2017 ।
सेवा में,

वन संरक्षक,
उत्तरी कुमाऊँ वृत्त,
उत्तराखण्ड, अल्मोडा ।

विषय :- जनपद पिथौरागढ़ में आदि-चौरा से सिन्नी मोटर मार्ग Proposal no. (FP/UK/ROAD/13621/2015) का निर्माण ।

महोदय,

उपरोक्त विषयक अवगत कराना है कि उक्त मोटर मार्ग में पड़ने वाली वन भूमि प्रस्ताव ऑनलाइन Proposal no. (FP/UK/ROAD/13621/2016) भारत सरकार को प्रेषित किए गए थे, भारत सरकार जलवायु परिवर्तन क्षेत्रीय कार्यालय द्वारा कुछ अतिरिक्त सूचनायें/आपत्तियाँ लगाई गई हैं, जिनका निराकरण बिन्दुवार निम्न प्रकार किया गया है तथा पार्ट -2 सम्बन्धित सूचनायें संसोधित कर दी गयी हैं ।

क्र. सं.	भारत सरकार द्वारा मांगी गयी सूचना	उत्तर
1	Short narrative of the project does not give adequate information about the proposal (online para A-1 (III) of part - I)	Detail Project Short narrative, Part I ds A.1(iii) में online upload कर दिया गया है ।
2	The period for which forest land is proposed to be diverted Is mentioned as NIL (Online Para A-1(x).	forest land is proposed to be diverted, Part I ds A.1(iii) में online upload कर दिया गया है ।
3	Online application is submitted by shri praveen kumar karnwal but the authority letter is issued in favor of Sheri Mahesh war ram aria (online paraA-3(I),(iii) & (xvii) of part-1)	Authority letter श्री प्रवीण कर्णवाल, अधिशासी अभियन्ता ds uke Is Part I dssa A.3 (xvii) में online upload कर दिया गया है
4	Soft copy of the geo-referenced map (KML file) showing the forest land proposed for diversion is submitted in Google earth map (KML file) which does not serve the useful purpose. Soft copy of the geo referenced map is required to be submitted is shapefile. (.shp file) showing geo-coordinates i.e. latitudes and longitudes at regular interval of 200 m to 300 m including all turning points(curves) along the alignment of the road to be prepared through GIS software.	Due to lack of Space in Map geo referenced have been marked important places and other possible places. And Part I ds C. में ठीक कर online upload कर दिया गया है ।
5	The scanned copy of the geo-referenced digital map has also been submitted in Google earth map wherein, the geo-coordinates of 7 points only are shown over a length of 13.00 km. along road which does not cover all the turning points (curves) along the alignments of the proposed road. Therefore the scanned copy of the GIS software geo-coordinates at regular interval of 200 m to 300 m including all turning points (curves) along the alignment of the road is required to be submitted.	Due to lack of Space in Map geo referenced have been marked important places and other possible places. And Part I ds C. में ठीक कर online upload कर दिया गया है ।
6	The cost benefit analysis attached in Para G of online Part-1 is not complete. A cost Benefit ratio calculation sheet has been attached but the prescribed formats i.e. Annexure-VI (b): PARAMETERS FOR EVALUTATION OF LOSS OF FORESTS” and Annexure-VI(C): PARAMETERS FOR EVALUTION OF BENEFITS, NOTWITHSTANDING LOSS OF FORESTS. have not been found attached.	Performa VI(b) and VI(C) needs to be quantified in monetary terms के अनुसार बना कर Part I ds G में ठीक कर online & upload कर दिया गया है ।
7	in the FRA certificate attached at Para-k of online part-1, the name of road is mentioned as jauljibi-munsyari MR to jarajivli-bani MR in Para-(a) in form-I instead of Adichura sinni motor road further, proceeding of the meeting of gram sabha(s) have not been found attached.	Correct FRA certificate & proceeding of the meeting of all gram sabha have been attached on Part-K

8	It seen from this document attached in Para -L (iv) (f) of online Part-I that 20.70 ha. Land selected for CA is shown as privet land against 69 people. But 'it is mentioned in the CA site suitability certificate that the land is civil soyam land of State Govt.	Correct CA site suitability certificate & All Related Documents Are Attached
9	The document attached in Para-L (iv) (g) & (h) of online Part-I also do not appear to be relevant to the CA Site.	relevant document attached to CA Site in Para-L (iv) (g) & (h)
10	The copy of administrative approval attached as additional document in online Part-I am not clear.	Clear Copy of administrative approval attached .
11	Muck dumping site have not been shown in the map.	Muck dumping site showing Map attached & Upload
12	The number of trees per hectare comes to 70 trees and the density is mentioned as 0.4 in the hard copy and 0.3 in online Part-II. Further, NPV rate is charged for dense forest category in Eco-class- VI. State Govt. may like to review the density and NPV rates, if required.	The correction is done in Online Part - II.
13	Working plan prescription have not been given in Para-5 of online Part-II despite the fact that 8.10 ha. RF land is proposed for diversion.	8.10 Hct RF JadaPani Block 5D Is Proposed for diversion as per working plan ,working circle is cheer Karya vrat (Pinus roxburghai working circle)
14	In Para-7 of online Part-I, approximate distance of proposed site for diversion inside from boundary of forester is mentioned 2500 km. which is quite unlikely.	It is 25 km. also corrected in Para-7
15	In Para-8 (i) of online Part-II , the details of Wild life present in and around the forest land forest land is mentioned as 'No' which does not appear to be correct and need to be reviewed.	There is only yes or no option in the prescribe format and the project is not effected in wildlife area.
16	It is seen from the data given in Para-14 of online Part-II that CA stipulated (2186.078 ha.) is not commensurate to the forest land diverted (1717.478ha.).	The diverted area stipulated for CA is miss matched because some of the proposals are below 1 hct.In cases of below 1 hct. CA is not diverted as hospital, cannal, school building and water supply scheme. So that the area diverted(1717.478 ha) and area stipulated for CA(2186.078 ha) is correct.
17	It is seen from the DSS analysis of the land selected for CA that the area comes to 20.37 ha. Instead of 20.70 ha. Moreover, out of 9.60497 ha. Area of patch -1, 3.00 ha. And 2.00 ha. Areas fall in very dense forest (VDF) & Moderately Dense Forest (MDF) respectively and 1.00 ha. Area out of 10.97 ha. Of patch-2 fall in Moderately Dense Forest (MDF). The areas falling in VDF & MDF are not suitable for CA hence may be changed.	Area for CA are changed & All Related documents are attached with polygon map and kml file.

अतः अग्रिम आवश्यक कार्यवाही हेतु प्रेषित।
