O/o Pr.CCF(HoFF) H.P Shimla.

**Subject: -**

**Diversion of 3.6693 ha. of forest land in favour of M/s Clief Finvest Pvt. Ltd. For the construction of Thaltukhod HEP Stage-II (5.00 MW) Tehsil Padhar Distt. Mandi, HP within the jurisdiction of J/Nagar Forest Division, Distt. Mandi HP.(Online Proposal No. FP/HP/HYD/43637/2019)**

Memorandum:

Kindly refer to your office letter No. Ft.48-4075/2020(FCA) dated: 03.03.2023 on the above cited subject.

2. The pointwise reply of observations raised vide above referred communication has been attended submitted as under:-

S.No.	EDS/Observation	Reply to EDS
1	The detailed list of approved existing proposed projects in the river basin/rivulet area/landscape showing Evacuation Transmission Plan of each project alongwith their impact has not been provided, only subject cited project has been shown in the list. The DFO concerned be directed provided the detailed list of approved existing/proposed projects in the river basin/rivulet area/landscape sowing Evacuation Plan of each project alongwith their impact.	The detailed list of approved existing proposed projects in the river basin/rivulet area/landscape showing Evacuation Transmission Plan of each project alongwith their impact has been prepared by the user agency and uploaded online Part-I in additional information. The user agency has also intimated that the information of Evacuation/Transmission Plan is not available with them.
2	The KML file and Geo-reference map showing boundaries of nearest Protected Area and its ESZs and distance of each Hydro Electric project from the nearest ps and their ESZ has not been found uploaded in Part-I in additional information detail at Sr.31. it can not be considered that only this project is exist proposed approved in the Beas river basin and its rivulet. DFO concerned may offered comments in this regard seperately.	The Geo-referenced map, Toposheet and KML file showing boundaries of nearest PA and its ESZs, location and distance of HEP withing 10 KM of nearest PAs and its notified ESZs has been uploaded in online Part-I C(iv), C(iii) and C(ii)(a). the said project has been approved by competent authority after the completion of codal technical formulties.
3	Letter from Superintending Engineer, Directorate of Energy GoHP has been uploaded at S.No. 29 in which it has been stated that information has been provided to MoEF & CC, IA division. As the information has been sought from the office of IRO Shimla, information as asked by the Gol be obtained from DoE, GoHP and be provided to this office accordingly.	The detail regarding Cumulative Impact Assessment & total carrying capacity of river/rivulet has been uploaded online Part-I in additional information.
4	Eco class has not been corrected in online Part-II . as the NPV bill has been calculated for class-VI . therefore Eco class should accordingly be mentioned in Part-II online.	The necessary correction has been made in online Part-II.
5.	It has not been informed by CCF Mandi that whether CA area has been revised in view of the observation as raised by the Govt. of India in Point No. 10.	The CA area has not been revised as the DSS analysis of CA area shows that the proposed CA area is having agricultural fields in view of the observations as raised by the Gol in Point No. 10. Hence, the proposed CA area has been identified and Geo-referenced map, toposheet, CA scheme, Land Suitability certificate and KML file of the same has been uploaded online Part-II at column No. 13.

It is, therefore, requested that keeping in view of above facts necessary approval of the proposal under FCA, 1980 may kindly be obtained and conveyed to this office please.
