Subject: - Reply to the EDS raised on dated 19<sup>th</sup> Nov, 2018 for diversion of 7.534 Ha of forest land for Jodhpur Ring Road Section -I. Proposal No. FP/RAJ/ROAD/32975/2018

Dear Sir,

This is with reference to the EDS generated on 19<sup>th</sup> Nov, 2018 for the forest clearance proposal of Jodhpur Ring Road Section-I. Please find the point-wise reply to the same.

10	Compensatory afforestation scheme is without cost estimates. Details regarding protection of plantation and soil-moisture conservation works along with costing have not been included in the CA scheme.	Details of CA scheme has been updated.
11 A	Site suitability certificate of proposed CA site shall be uploaded online also.	Site suitability certificate of proposed CA site has been uploaded.
B,	Vegetation density is mentioned as 0.01 in one document whereas 0.1 at other places.	Details has been updated as density 0.1

Thanking you.

Yours Faithfully
