महोदय,

उपरोक्त विषयक सन्दर्भित पत्र द्वारा इंगित आपत्तियों का निराकरण प्रस्तावक विभाग के पत्र सं० 466/सि०ख०थ०/बैराज/थराली, दिनांक 07.08.2023 द्वारा सहायक महानिरीक्षक वन, पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय, को प्रेषित कर इस कार्यालय को पृष्ठांकित किया गया है, जिसका निराकरण निम्नवत है:-

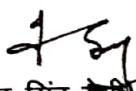

S.no	Queries	Decantation
1.	In reply to point no 1, state Govt submitted technical justification which was not found correct therefore, state govt. is requested to detail study report of IIT Roorkee or Wadia Institute or any other Govt. organization in this regard.	In compliance of this point the User Agency has uploaded the copy of correct justification and detailed study report of IIT Roorkee.
2.	In reply to point no 2, State govt submitted the benefits of proposal instead of submitting the reply w.r.t. guideline Dated 24.01.2022 state govt. is requested to submit necessary comments as per ministry guidelines Dated 24.01.2022 regarding non-site-specific activity.	In compliance of this point the User Agency has uploaded their submission in context of ministry guidelines Dated 24.01.2022 regarding non-site-specific activity.
3.	In reply to point no 5, the clarification found correct but the details now removed from component wise breakup.	In Compliance of this point the User Agency has uploaded the component wise breakup of other forest land.
4.	I reply to point no 6, submitted that second phase of the proposal will be submitted by the Jal Nigam for uplifting and supply mechanism of water. The state Govt. is requested to submit the complete proposal.	The User Agency has replied that the distribution of drinking water will conduct after completion of phase-1 which is construction of reservoir. A separate Scheme proposed in Phase 2 compiled by Jal Nigam Uttarakhand for distribution of drinking water. They also mentioned that Jal Nigam Uttarakhand has been applied for Forest Land diversion proposal under the provisions of FCA 1980 which proposal no. is FP/UK/WATER/41901/2019.
5.	In reply to point no 7, only undertaking found uploaded in part I and II. State govt. is requested to	The NPV sheets prepared on new rates has been uploaded by this office.

	upload the NPV sheets as per new rate of the office.	
6.	In the reply of point no 8, state govt. submitted that all the trees are proposed to be felled the state Govt. is requested to explore alternate suitable site to save the large no. of trees.	Site selection done after exploring all possibilities of alternative suitable sites and no other suitable alternatives found. Hence, felling of 955 no. of trees are unavoidable.
7.	In the reply of Point no 9, that wildlife mitigation plan upload online but same not found uploaded, the state govt. is requested to upload the wildlife mitigation plan duly approved by CWLW in accordance with ministry's guideline in online portal.	The wildlife mitigation plan has been submitted to CWLW Uttarakhand for approval by letter no. 1874/12-1 dated 27.09.2023 in accordance with ministry's guideline has been uploaded.
8-	In the reply to point no 10, State Govt. submitted reply to only 9 points and the same has not even mentioned in their letters. Hence state govt. is requested to provide the comments regarding the CA area is suitable for planting oak plants in reply to point no 10 Vide this office EDS letter dt. 28.04.2023.	In compliance of this point, it is being informed that the Forest Land which is proposed for diversion exist in midst of Oak Forest. That's why maximum number of trees being affected are Oak trees. It is further certified that the area finalized for CA plantation falls under the jurisdiction of DFO Badrinath and a certificate has been provided by DFO Badrinath about the suitability of area for Oak plantation. Copy of certificate is being annexed here.
9-	The present proposal is only for construction of the reservoir, whereas the proposed for distribution of the drinking water will be submitted by another agency hence the state govt. requested to provide information on the distribution system as well and the extend of forest area likely to be affected.	The User Agency has replied that the distribution of drinking water will conduct after completion of phase-1 which is construction of reservoir. A separate Scheme proposed in Phase 2 compiled by Jal Nigam Uttarakhand for distribution of drinking water. They also mentioned that Jal Nigam Uttarakhand has been applied for Forest Land diversion proposal under the provisions of FCA 1980 which proposal no. is FP/UK/WATER/41901/2019. According to the said proposal the forest area involved in this proposal is 1.1463 hac.
