

No.F-6.-1271/FC/For-2020/ 1364-67  
Government of Tripura  
Office of the Principal Chief Conservator of Forest  
Tripura : Agartala

Dated:- Agartala, the 30<sup>th</sup>. December, 2020

To  
The Deputy Inspector General of Forests (C),  
Ministry of Environment, Forest & Climate Change  
North Eastern Regional Office, Law-U-Sib,  
Lumbatngen, Near M.T.C Workshop,  
Shillong-793021

Subject: - Proposal for diversion of 0.99524 ha of forest land for construction of Approach Road towards BRU  
Re-settlement site at Mouja Anandapur and Kalamchawra under DFO, Sepahijala -regarding.

Ref:- Your letter No.3-TR B 092/2020-SHI/2866-67 dated 15/12/2020.

Sir,

With reference to the letter cited above, enclosed herewith is the following information against each correspondence serial of your letter.

1. The DFO, Dhalai has submitted the distance of the proposed area from nearest Protected Area/ National Park/Wildlife Sanctuary. (Copy enclosed as Annexure-A).
2. The User Agency has submitted the required map of the proposed area muck dumping site etc. (Copy enclosed as annexure-B).
3. The DFO, Sepahijala has submitted the technically approved and duly signed scheme for avenue plantation on the road side. (Copy enclosed as annexure-C)
4. The User Agency has submitted the width of Right of way and length of the proposed road. (Copy enclosed as annexure-D)
5. The User Agency has submitted the reply of the muck dumping plan and site. (Copy enclosed as annexure-E)
6. The User Agency has submitted the 3 alternative route examined on the Sol toposheet (Copy enclosed as annexure-F)
7. The User Agency has furnished reply about the GPS coordinates of the starting and end points of the proposed roads. (Copy enclosed as annexure-G)
8. The User Agency has furnished status of mutation of the non-forest land for the CA land. (Copy enclosed as annexure-H)
9. The User Agency has submitted the undertaking certificate for additional NPV. (Copy enclosed as annexure-I)
10. The User Agency has furnished the justification. (Copy enclosed as annexure-J).
11. The User Agency has furnished the justification. (Copy enclosed as annexure-K).

In view of the above, I would request you to consider the proposal and arrange to issue the In-Principle approval for the instant proposal at the earliest convenience.

Encl:- As stated

Yours faithfully

  
30/12/20  
[A. Shukla]

Chief Conservator of Forests &  
Nodal Officer (FCA)

Copy to:-

1. The DM & Collector, Sepahijala District for kind information.
2. The Secretary, Revenue Department, Govt. of Tripura for kind information.
3. The DFO, Sepahijala for information.

SDFO, Sonamukhi.

- iv. The proposed width of Right of Way and length of the proposed road.

The length of proposed road is 2.4881 km and Width is 0.004 km.

- v. The muck dumping plan and muck dumping sites along with the GPS coordinates.

This is not applicable in this context, as this is a road diversion proposal where a katcha road already exists there and there will not be any excess soil for dumping during construction of road.

- vi. The 3 alternatives route examined is to be plotted on Sol toposheet providing the reason and justification for choosing the present proposed route.

3 alternative roads have been examined and indicated in revenue map. Suitable one has been selected and proposed for diversion. (Copy enclosed Annexure-"VI")

- vii. The GPS coordinates of the starting and end points of the proposed road.

GPS Reading :- Road starting point - N-23°33.896" E-91°13.557"

Road end point - N-23°34.800" E-91°13.704"

- viii. The current status of the mutation of the non forest land proposed for compensatory afforestation land.

Approval from Revenue Department for allotment of land measuring 2.46 Ha in favour of Forest Department has already been received. Mutation of land is under process.

- ix. The undertaking certificate by used agency for addl. NPV payment.

User agency has already provided alternative khas land for afforestation and a certificate for additional NPV payment if any also enclosed in Annexure-"VI".

- x. State Govt. to furnish justification on the effort that was put into finding revenue land by the state Govt. establishment the inevitability of involving forest land for this proposal.

To reach the proposed Bru-settlement site, there is no other alternative road from any side except through proposed forest land. As one dedicated road is essential for the proposed resettlement families, this proposal has been initiated for diversion.

- xi. Steps to be taken by the State Govt. to upset imminent pressure on surrounding forests immediately after rehabilitation and in the future has not been concrete and spelled out well by the State Govt.

The proposed site will be well demarcated and there will be periodical inspections to avoid any extra pressure on the existing forest land.

This is for favour of your kind information and doing the needful.

Yours faithfully,
