

No. 336
H.P. Forest Department.

Dated Rampur, the 30/4/2019

From:- DFO Rampur.

To:- CCF (T) Rampur.

Subject:- Diversion of 0.8374 ha. of forest land in favour of Rampur Hydro Electric Project, SJVN Limited, VPO Jhakri, Tehsil Rampur Bushahr, Distt. Shimla H.P for the construction of river training road & road protection etc. within the jurisdiction of Rampur Forest Division, Distt. Shimla H.P.

Memo:

Kindly refer to your office Endst. No. 8007 dated 30/3/2016 on the subject cited above.

In this context, the shortcomings raised by Nodal Officer-cum-Addl. Pr. CCF (FCA) O/o Pr. CCF H.P Shimla-I vide his office Endst. No. Ft. 48-1063/2005 (FCA) dated 21/3/2016. The point wise reply is furnished as under:-

| S. No. | Observations | Clarification /Compliance |
|--------|--|--|
| 1. | The KML file of the area proposed for diversion still not uploaded at Part I C a, which may be done as it is now possible to upload it again. | The user agency has submitted that the KML file for two no. patches has been uploaded. |
| 2. | Copy of Sol Toposheet showing location of area proposed for diversion which is provided with the hard copy of the reply, may be uploaded at Part I C iii. | Magnified Toposheet showing area proposed for diversion has been uploaded by the user agency (copy enclosed). |
| 3. | The digital map of the area proposed for diversion is still not showing all the components as per detail provided in Part I B 2.4. The area is shown in two patches without providing names of the components as also their respective geo coordinates. In addition the component wise breakup given at B 2.4 mentions road, bridge, abutment and river training but the shape of two patches shown in digital map does not appear to be of linear shape. | Digital Map for Patch 1 & 2 has been uploaded at Part I C iv, showing all the components as mentioned at B 2.4 by the user agency (copy enclosed). |
| 4. | Even if the work is already carried out in violation, employment data may be shown. | The user agency has submitted that 5950 man-days employment was created for the construction of the said components (road, bridge abutment and river training / road protection). |
| 5. | The report on violation provided now mentions filing of FIR with police, under IFA 1927 in the year 2013 but does not give any information about the progress made so far in this case. It is also mentioned that a case of encroachment of forest land has also been initiated in the court of Tehsildar. However, it is not clear as to why the same was not initiated in the court of Collector cum DFO. Moreover, it may also be clarified whether the eviction proceedings are now relevant in view of the State Govt. seeking diversion of the land in question under FCA 1980 through | Now, the Police has challaned the case in the Court of I.d. A.C.J.M Rampur and the same is under trial. Since, the area does not falls in any RFs/DPFs hence, the case has not been challaned in the court of Collector-cum-DFO Rampur and challaned in the court of A.C 1 st Grade-cum-Tehsildar |

| | | |
|----|---|--|
| | this proposal. | Rampur under Section 163 of Land Revenue Act, 1954. In this regard necessary permission is required to be given to the user agency as the case is of larger national interest and in such the encroachment can be regularized. |
| 6. | CA scheme still not found uploaded on web portal. May indicate in which part / column it has been uploaded. | Necessary correction has been made and uploaded online Part-II. |
| 7. | Digital Map of area proposed for CA provided with the hard copy of the reply does not match with the digital map available online at Part II column 13 iii. May recheck and upload the correct digital map of CA. | Necessary correction has been made and uploaded online at Part-II column 13 iii. |
| 8. | The KML file of CA reported to have been uploaded contains the area proposed for diversion and not that proposed for CA. The KML file of area proposed for CA available in the CD shows only 4 separate points with geo coordinates without giving any shape file. May provide / upload GIS software generated geo referenced digital map of the area proposed for CA providing geo coordinates at all corners in shape file. | Necessary correction has been made (copy of DGPS map is enclosed). |

It is, therefore, requested that the proposal may kindly be sent to GoI for according necessary approval under section 2 of Forest (Conservation) Act, 1980.

Encl: - As above.

AK-19
Divisional Forest Officer,
Rampur Forest Division,
Rampur Bushahr.

Endst. No.

337

Dated Rampur, the **30/4/2019**
