Memo:

Reference to your reply of EDS dated 23-1-2025 submitted on PARIVESH Portal on the subject cited proposal.

After reviewing the subject-cited proposal, it has been observed that the proposal was submitted to this office without a forwarding letter, a recurring issue. Additionally, it has been noted that the reply submitted by the DFO Bharmour is still incomplete. The Government of India has specifically requested the submission of a KML file for the proposed CA area. However, instead of the required KML file, only a screenshot of the area has been provided.

Furthermore, it has been observed that the survival percentage of the CA is just 1%, which is a concerning issue and comments in this regard should be offered by CF.

Therefore, a complete reply to point No. 2 is requested, which should include the KML file, along with a detailed explanation for the failure of the CA, and the comments of the concerned CF.
