A copy of the reference cited is sent herewith along with enclosures.

In the reference cited, the Government have requested to furnish the following information for taking further action in the matter.

1. Copy of the order issued by the R&B regarding execution of work, if any;
2. As reported, a case was booked vide DoR 31/2019-20 dated 27.03.2020, whereas the violation is claimed to have taken place in the year 2018. Hence, reasons for delay in initiation of action against violators may please be informed along with the present status of the offence proceedings.
3. Whether the reported violation has taken place before or after making application under FCA, 1980 may please be informed and extent of forest area under violation may also be provided;
4. Upon examination of the kml file, it is noticed that the proposed OFC alignment is passing along the existing road in the RF area. Hence, may kindly provide the legal status of the existing road i.e. whether is at an admitted RoW as per the RF notification or diverted under FCA, 1980 with supporting documents. Further, as per the recent year's imageries, it appears that the road width has been increased. Hence, details on progress / improvement of the existing road carried out along with the time series information is required to be provided to examine the legality of the existing road and to process the proposal further

It is requested to furnish the additional information as sought by the Government immediately for taking further action.
