No:- DFO/SFD/ 5288-92

Dated: 14-02-2020

Sub:- EDS with respect to Proposal No. FP/JK/HYD/44-25/2020 regarding Ujh Multipurpose project under Forest (Conservation) Act, 1980.

Sir,

In context to the above captioned subject, it is submitted that following clarification/informations are required before processing the above quoted proposal under Forest (Conservation) Act, 1980:

1. The Map so appended with the proposal has been supplied on A4 size sheet and is not comprehensible and also with obscure depiction of the forest area falling under Samba Forest Division proposed to be diverted. The same may kindly be clarified vis. a vis. providing the same on A1 size sheet clearly depicting the forest area of Samba Forest Division needing diversion.
2. It has been observed that Kml files of one patch having an area of 42 ha. and the other segment of 18 ha have been uploaded and enclosed alongwith proposal but on ground, the area of patch (having an area of 42 ha.) has been delineated by means of paint on stones and trees (already existing there) which is not a standard procedure and moreover, not reliable as it can lead to increase or decrease in the No. of trees that have to be enumerated. The other segment having an area of 18 ha. has also not been delineated on the ground yet. As such, the same needs to be clarified.
3. Details of alternate land for raising Compensatory afforestation (CA) may also be provided.
4. FRA certificate may also be provided.

Keeping in view of the above, it is as such requested that information/clarification in this regard may please be provided to the undersigned to proceed further into the matter.

Yours faithfully,

(Abinav Ramyotra) SFS
Divisional Forest Officer
Samba Forest Division
