EDS on Proposal No.FP/HP/HYD/52179/2020 Dated Shimla-1,the

Diversion of 9.3408 ha of forest land in favour of HPSEB Ltd. for the construction of Hail Hydro Electric Project (18.00MW) HEP within the jurisdiction of Churah Forest Division distt Chamba, HP.

The following shortcomings have been noticed in the proposal, which are to be completed:

1. The reply to point No.5 has not been attended properly. The date of progress of CA in online part-II has still been mentioned 31.3.2018 in district profile. The date is required to be changed in online part-II in district profile. Further, in hard copy of the part-II, the date of CA progress has although been mentioned 15.12.2020. But the date in hard copy of part-II, has now been mentioned 28.1.2021 instead of 15.12.2020.
2. The hard copy of part-II, uploaded against additional information detail is also required to be deleted and revised part-II with correct date is required to be uploaded.
