- i. Detailed violation report clearly mentioning the nature, extent, date and details of the persons responsible for violation and action taken thereof against erring officials/person is not submitted along with the proposal. The same needs to be submitted.
- ii. DFO, Theog has mentioned that at present no garbage dumping has been noticed on the proposed site, but a shed is found constructed on the spot, hence user agency has violated provision of FCA, 1980. Action taken by the State Government to evacuate construction needs to be submitted.
- iii. Detailed report on the case pertaining to the proposed area in the Hon'ble National Green Tribunal, along with its present status and orders/judgements if any needs to be submitted.
- iv. As per DSS, Component wise KML file of proposed waste management plant is not available. The same needs to be submitted.
- v. As per DSS, observation based on Google Earth: solid structure and boundary wall is visible in the proposed area for diversion. Comments in this regard may be submitted by the State Government.
- vi. As per DSS, KML file of land proposed for CA is not available on PARIVESH portal. The same needs to be submitted.

In view of the above, the State Government of Himachal Pradesh is requested to submit the information/documents, as indicated above, for further consideration of the proposal in the Ministry.

Yours faithfully,

*Sd/-*
