Ref: Letter from A.C.F (Mussoorie Division) dated 20.11.2020.

Sir,

Kind attention is invited to the above subject and reference letter. Two technical persons from Uttarakhand Forest Department visited Forest Survey of India on 27th November, 2020, after necessary discussion with you. They were provided Hands on Training on Decision Support System with the KML files from Parivesh portal. The system worked perfectly during the training and your staffs perfectly carried out all the exercises. The problems mentioned in the above letter may be due to Hardware/Software installed in the A.C.F office or the technical person may not be aware of using the Decision Support System tools.
