

FP/HP/ROAD/8164/2014

Dated 15.02.2018 20 FEB 2018

Construction of road from Dummi to Kharechi (Kms. 0/00 to 10/165)

Following shortcomings still remains which may be attended:

1. It has not been clarified whether the possibility has been explored to reduce the RF land and number of trees proposed to be felled.
2. Clarification regarding muck dumping sites has not been given. In additional documents detail, same information as provided in proposal folder at page No. 96 & 97 has been uploaded. It has not been clarified that how much muck dumping sites are actually proposed ^{and} for how much muck ^{with regenerate} cum. Accurate muck dumping plan showing actual muck dumping sites and actual quantity of cum muck may be provided/ uploaded at additional document detail.
3. Incomplete CA Scheme has been uploaded at 13 (ii) of Part-II. Complete CA Scheme may upload at 13 (ii) of Part-II & hard copy of the same may be provided to this office.
