**Subject:-**      **Diversion of 4.7 ha of forest land in favour of HPPWD for the Construction of Kiari to Khinna road Kms 0/0 to 7/820, within the jurisdiction of Solan Forest Division Distt Solan, HP.**

The following shortcomings have been noticed in the proposal, which are to be completed:

1. Point No.4 has still not been attended properly. Still the proceedings of Village level committee are photocopies and not attested by the issuing department.
2. In reply to point No.6, although a letter of RO concerned addressed to SDM concerned has been uploaded. But the requisite certificate duly signed by the DFO concerned is required to be uploaded against additional information detail in online part-I.
3. Point No.8 has still not been attended properly. The scientific name of trees are not correct. If the scientific names of the trees are not appearing in the dropdown on the web portal, the same can be mentioned within brackets alongwith local name of the tree species.
4. Point No.9 has not been attended. Still the KML file of CA site has not been marked on Google earth.
5. In reply to point No.11, although the joint inspection report of the committee has now been uploaded in online part-I, but it has not been made clear whether the proposed road is appearing in the list of 2183 road proposal or not.
