(E-mail: forestsecy-hp@nic.in)

विषय: Diversion of 10.6019 ha of forest land in favour of HPPPWD for construction of Dharli to Balag road Km (0/00 to 18/900) within the jurisdiction of Suket Forest Division, Distt. Mandi, Himachal Pradesh.

सन्दर्भ: Online proposal no FP/HP/Road/49449/2020 received on 06.01.2024.

महोदय,

मुझे आपका ध्यान उपर्युक्त विषय से संदर्भांकित पत्र की ओर दिलाने का निर्देश हुआ है, जिसमें वन (संरक्षण एवं संवर्धन) अधिनियम, 1980 की धारा- 2 के अनुसार गैर वानिकी उद्देश्य के लिए **10.6019** हेक्टेयर वन भूमि की मांग की गई है।

2. अतः प्रस्ताव से सम्बंधित जानकारी भेजने का कष्ट करे:

1. The proposal involves violation as reported in para 11 of part II but violation report not found uploaded. It is requested to kindly submit the detailed violation report and action taken report.
2. It is requested to clarify that whether the proposal is in the list of 2183 violation cases or not.
3. State Government shall scrutinize the alternatives in more details and must give complete justification establishing its inescapability for locating the project in forest area. Further, explored alternatives showing details of tree enumeration, area etc. with reason of rejection/acceptance with KML may be provided.
4. Since proposed diversion area is on steep slope and during excavation and rainy season, may cause landslide/soil erosion to the proposed area or the nearby landscape. Therefore, State Govt. may provide details of the mitigation measures to be adopted to arrest the accelerated soil erosion/land slide during/after execution of project. Additionally, the State Govt. may submit Soil and Moisture Conservation Plan as per para-1.22 (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980, if applicable.
5. CA area is proposed in DFL. As per Rule 13 (4) (a), a certificate on non-availability of suitable non-forest land for raising compensatory afforestation needs to be furnished by the State Government in the format specified under Schedule-III.
6. In view of the observations of the 74th REC dated 31.01.2025, the CA scheme needs to be revised by including soil depth, aspect, area dimensions and description, detailed site-specific soil and moisture

Conservation measures, individual species names, and photographic evidence of DFO site Inspection.

7. Area mentioned in CA site suitability certificate is 10.2038 ha of CA instead of 21.2038 ha. May request to upload the site suitability of complete CA area. It is requested to kindly submit the site inspection report of concerned DFO along with photograph of proposed CA area as the area appears on steep slope.
8. NPV sheet and penal NPV sheet calculated as per old rates @ 6,57,000/-. It is requested to upload NPV sheet as per new rates.
9. 0.809 ha area proposed for muck dumping. It is requested to explore non forest land for the purpose.
10. It is requested to mark the dumping sites in KML file and also submit the list of trees in dumping area.
11. Muck dumping plan needs to be authenticated by DFO.
12. In complete cost benefit analysis found uploaded in part I with old NPV rates. It is requested to upload completely filled CB analysis as per new NPV rates.
13. No. of trees to be affected are 658 in the proposal. It is requested to submit the list of trees that area actually required to be felled.
14. A large numbers of ecologically important tree species such as Quercus leucotrichophora and Rhododendron arboreum are also likely to be affected. State Govt. is required to explore the possibility of saving these trees in the proposed project.
15. Administrative plan, undertaking to pay addl. NPV and layout plan not found uploaded. It is requested to upload the same.
16. Aerial distance certificate of proposed area from nearest protected area not found uploaded. It is requested to submit the same.
17. No is mentioned in para 8 (iii) of part II. However, as per DSS analysis of proposed area, Wildlife Sanctuary Bandli is approx. 0.19 km away from the proposed site. It is requested to submit the comment of DFO.
18. As per DSS analysis of proposed area, Little shift observed in the provided latitude-longitude. Further, dumping site latitude-longitude are missing from the DGPS map pdf uploaded at the s. no. C(iv). It is requested to rectify the same.

यह पत्र सक्षम अधिकारी के अनुमोदन उपरांत जारी की जा रही है |

भवदीय,
ह 0/-
