**Sub Withdrawal of Forest Clearance Proposals and Submission of Consolidated Proposal for Diversion of Forest Land for MVN School**

This is to inform you that the user agency has requested the withdrawal of the following two Forest Clearance proposals, which were initially submitted for the diversion of forest land in favor of MVN School located at Sector 43 along the right side of Badhkal Surajkund Road, within the Forest Division and District of Faridabad:

Proposal No. FP/SCH/HR/41656/2019 for the diversion of forest land admeasuring 2.031 hectares.

Proposal No. FP/SCH/HR/462513/2024 for the diversion of forest land admeasuring 7.99254 hectares.

In order to streamline the process and consolidate the required approvals, the user agency has decided to combine the aforementioned land parcels. The total area to be diverted for the non-forest use of the said school is now 10.0235 hectares. Accordingly, a new consolidated Forest Clearance proposal, FP/SCH/HR/515695/2024, has been submitted on 22/12/2024.

Therefore as proposed by user agency it is requested that earlier submitted proposals be considered withdrawn and to process and consider only the new, consolidated proposal of 10.0235 hectares.

Ref: (i) Proposal number FP/SCH/HR/41656/2019 dated 18/08/2019  
(ii) Proposal number FP/SCH/HR/462513/2024 on 12/02/2024

Sir,

Initially, in 2019, we submitted an application (proposal number FP/SCH/HR/41656/2019 dated 18/08/2019) seeking permission to divert 2.031 hectares of forest land for non-forest purposes in Sector 43 along the right side of Badhkal- Surajkund road, under the forest division and District Faridabad for MVN School. The copy of the same is attached herewith as Annexure-A. However, by early 2024, the need arose to expand the premises of the said School for enhancing facilities for the students including the provision of dedicated netball ground, hockey ground, cricket ground, football ground to encourage sports and promote holistic development among the students and parking of school buses and vans.

In order to accommodate this expansion, we utilized an additional 7.99254 hectares of forest land for non-forest purposes by submitting an application for ex-post facto approval for the extended area (proposal number FP/SCH/HR/462513/2024) on 12/02/2024. The copy of the same is attached herewith as Annexure-B

Subsequently, to streamline the process and consolidate the requirements into a single application by consolidating the land parcel admeasuring 10.0235 hectares of forest land to be diverted for non-forest use of the said School, we have submitted a new proposal (FP/SCH/HR/515695/2024) with authority on 22/12/2024. The copy of the same is attached herewith as Annexure-C

In view of the above, we hereby request you to grant permission for withdrawing Forest Clearance Proposal No. FP/SCH/HR/41656/2019 and FP/SCH/HR/462513/2024 for the diversion of forest land area

admeasuring 2.031 hectares and 7.99254 hectares respectively in favor of MVN School immediately and further request you to allow and proceed with Forest Clearance Proposal No. FP/SCH/HR/515695/2024 dated 22/12/2024 for the diversion of forest land admeasuring 10.0235 hectares in Sector-43 duly approved by the change of land use (CLU) by Municipal Corporation of Faridabad, which is being used for the purpose of parking of school buses and vans, workshop, netball ground, hockey ground, cricket ground, football ground. by the students of Modern Vidya Niketan School, Sector-43, Faridabad, Haryana at an early date.

Thanking You

Yours Faithfully
