Dear Sir,

**Reliance Jio Infocomm Limited (Jio)**, is a company engaged in the business of providing Digital Services based on a world-class all-IP data strong future proof network with latest 4G LTE technology on pan India basis. Jio has been granted a Unified License by Dept. of Telecommunications, Ministry of Communication & IT, Govt. of India with authorization to provide all Telecom Services in all service areas. Jio will bring transformational changes in the Indian digital services space to enable the vision of Digital India for 1.2 billion Indians and propel India into global leadership in digital economy. Jio will also offer end-to-end solutions that address the entire value chain across various digital services in key domains such as education, healthcare, security, communication, financial services, government-citizen interfaces and entertainment.

As part of this project, we must lay underground Optical Fibre Cable (OFC) along the road within the existing Right of Way passing through Forest under **Markapur WL Division in an area of 0.15 Ha**. Accordingly, we have submitted online proposal seeking prior approval of Central Government under the Forest (Conservation) Act, 1980 vide proposal No. cited above. Please find attached duly filled-in Application in 7 sets for further process.

As you may appreciate this project shall be completed on top priority in the larger interest of all the stakeholders, request you to kindly accord us the approval at the earliest.

Thanking you,

Yours Sincerely,

For **Reliance Jio Infocomm Limited**
