Respected Sir,

The Government of Gujarat has approved 66Kv Palgam Tap line for provide sufficient electricity in Umargam Taluka villages. During recent days the sufficient power can't provide the existing/new consumer in Umargam villages due to overloaded of existing line. Therefore, GETCO has planned of forest land proposal for diversion of Social Forest Land of 0.1360 Hac. For social forest clearance for laying of 66KV 630 sq mm (3+1) XLPE Underground cable for 66KV PALGAM TAP LINE from 66KV Bhilad-Sarigam line no-2 to meet unprecedented rapid load growth in this part of Umargam Taluka area of Valsad District for overall Development of the region for all sort of important domestic, agricultural, commercial, industrial etc all sort of consumers. "POWER TO ALL". Preliminary survey through alignment of proposed route was jointly carried out by this office with local forest representative of Umargam Range. And it is learnt that some of the line portions are felt in Social forest area under your jurisdiction. The forest clearance proposal in prescribed Performa with proposed final route by this office in village map are enclosed herewith with proposal.

As this 66KV cable line is very critical to provide power supply to rapid load growth in this part of Umargam Taluka area of Valsad District for overall Development of the region for all sort of important domestic, agricultural, commercial, industrial etc all sort of consumers. "POWER TO ALL". Hence, it is kindly requested to take it on priority. This is submitted for needful action and approval at earliest please.
