Subject:- Proposal for grant of permission for laying optical fiber cable On NH-46 from Kurawar-Biaora in Chdikho Sanctuary for total length of 12.00kms (0.600 Ha ).

Dear Sir,

Telesonic Network Limited (Formerly Bharti Airtel Limited) has been awarded license to install, operate & maintain National Long Distance Service within territorial boundaries of India, vide license agreement No.797/2017 Dated 06-12-2017 by Government of India, Ministry of Communication, Department of Telecommunication, copy for the same is enclosed for your ready reference

We are planning to lay optical fiber cable (OFC) through duct, adopting methodologies like HDD, open trench, Clamping and other methods conducive on ground. The above chainage falls under your jurisdiction, as such we seek your cooperation to construct a Fiber optic backbone link.

Rest assured that the work will be carried out as per standards, guidelines & policies of the Authority for laying the OFC, we are also earmarking on SLD the provisioning of road bridges likely and would appreciate specific instructions wherever applicable.

We are enclosing herewith a copy of Infrastructure Provider License and proposed OFC route map along with a brief on HDD with the request to kindly grant us permission at the earliest as we intend to take up the job on a war footing.

Above measures will help in providing quality mobile network in following villages of the area:- Subhagpura Village, Shyampura, Sarna, Khedi, Rugnathpura & Chdikho Sanctuary.

Yours Sincerely,

Authorized Signatory
