We, M/s Jio Digital Fibre Private Limited (formerly Reliance Jio Infocomm Limited) carrying out laying of underground Optical Fibre Cable to improve communication networking 4G facility at National Level.

As per the advice of Forest Department, we have furnished forest clearance proposal through online in the web portal of www.forestclearance.nic.in and proposal is assigned as FP/TN/OFC/116522/2020. Initially we submitted forest clearance proposal for laying the underground Optical Fiber Cable along Cumbum - Kumuly NH from Lower Camp to Kumuli vide reference 1st cited above.

Laying of OFC through this forest area is an important step for the better connectivity of 4G network in this region, bordering Kerala State. There is no possibility of laying OFC except the forest areas proposed, because the forest areas are continuous stretch and this road section passes through the forest areas as admitted right of way leading to Cumbum to Kumuly route from Lower Camp to Kumuly stretch.

In Principal Chief Conservator of Forests reference 4th cited above has advised us to get acknowledgement for submission of forest clearance proposal to
