Date : 01/07/2021

To,
Deputy Conservator of Forest,
Social Forestry Division,
Bharuch.

Sub : Request for granting permission for laying proposed 8" Dia. Steel Gas Pipeline Along SH-13 (Ankleshwar-Valia) from Kosamdi SV To Gujarat Guardian) in Taluka Valia of Dist. Bharuch.

(Diversion of Area: 159.00Sq.mtr. i.e. 0.0159Ha Area)

Dear Sir,

Please find enclosed herewith a proposal along with Annexures in four copies for granting of No Objection Certificate for laying of 8" Dia. Steel Gas Pipeline underground in Protected Forest land for our Linear Project as mentioned above.

It may kindly be noted that pipeline will be laid in Bharuch District –Along SH-13 (Ankleshwar-Valia) as said herein.

The pipeline will be laid by excavation of a narrow strip of trench of 60cm and depth 1.2 meter by open cut method/horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strips of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the Gujarat State Petronet Limited for its exclusive use as it is a Linear Project. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is very much necessary to lay **Along SH-13 (Ankleshwar-Valia)** as stated herein above because there is no other alternate route. It is not possible to lay the subject pipeline on any other alternative route except to lay by use of Forest Land for the proposed route of pipeline. **Executive Engineer, R&B Div., Bharuch** has been requested to allow to lay pipeline as stated herein above and permission is likely to be received shortly.

It is not possible to get land for laying the pipeline other than the road being used by the Forest Department.

In view of foregoing, you are requested to grant the permission for the subject developmental and time-bound project at the earliest.
