Letter No. ¹¹⁰⁵³.....OMC/F&E/2015
Aug 27th 2015

To

**The Divisional Forest Officer
Dhenkanal Division
Dhenkanal**

Sub: Submission of Form-C for Prospecting Minerals in Forest land for Birasal Chromite Mines for Drilling(Online Proposal No. FP/OR/MIN/15 /2014).

Ref: Your letter No. 4063/ Dt.08.06.2015.

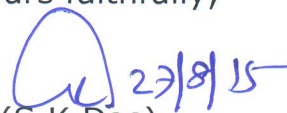

Sir,

OMC had submitted a proposal for exploration in Form-C requesting to allow 112 nos. of bore holes in forest land and 21 nos in non-forest land indicating a proposed access to the bore hole site. The total forest area required for bore holes is 2.660 ha. and for the access path it is 7.159 ha. (Total: 9.819 ha).

As per the instruction communicated vide letter under reference joint verification by Tahasildar and Range Officer was conducted and report submitted to DFO, Dhenkanal on dt.06.07.2015. The observation by DFO during site inspection was on dense vegetation.

In this context we undertake not to fell any tree while executing the exploration programme. No damage to the forest growth shall be caused by OMC during the exploration work. This placed for kind information and request to recommend our proposal to the higher quarter for approval.

Yours faithfully,

(S.K.Das)
