Ref : DPR Agency M/s MSV Letter No. C-152 dated 04.08.2022

Sir,

It is to inform you that National Highways Authority of India (NHAI), has proposed the Construction of 4/6 Laning of Arrah-Sasaram-Patna NH-119A from Km 40+450 (Sakla) to Km 84+300 (Patar) under Bharatmala Pariyojana (Lot-7/Package-2) in the State of Bihar (Package-II).

2. In pursuance to above, NHAI, PIU-Patna is taking up above mentioned project. The starting Ch. 40+450 is Sakla (Bhojpur) & terminates at Ch. 84+300 near Patar (Bhojpur) in the State of Bihar having a total length of 43.850 Km and Proposed Right of Way (PROW) is 45 m.

3. Sufficient care has been taken during the design stage to avoid acquisition of forest land located along the project road. No Forest land identified along the proposed alignment, however at some locations (crossings point of roads/canal/drain/river bund etc.), the proposed project falls in notified protected forest land declared for management purposes and diversion of protected forest land is unavoidable and barest minimum i.e. 22.716 Ha.

4. The forest land as identified is included in this proposal for your kind consideration and recommendations for grant for the diversion of forest land for non- forest purpose. It is also stated that NHAI is willing to pay compensation for Compensatory Afforestation (CA) and Net Present Value (NPV) etc. as per the Government regulations.

5. This is a time bound project and has a potential to contribute in the economic wellbeing of local people of the adjoining area. Therefore, it is requested to consider the proposal and recommend granting the permission for the diversion of forest land.
