Respected Sir,

We take this opportunity to introduce ourselves as “**RENEW GREEN ENERGY SOLUTIONS PRIVATE LIMITED**” we are actively engaged in development of Solar Power Projects and Wind Power Projects in India, we are planning to project development of 33 kV D/C Transmission line from the Proposed 220/33 KV Pooling Substation at Kakkuppi village to the Proposed Windfarm in Kudligi Taluk of Bellary Forest Division of Karnataka State. The project shall from part of State Grid and would become a vital link for bulk power transfer of around 50 MW to Karnataka State.

As per the route survey the line is passing through Kakkuppi, Suravanahalli, & Agrahara Villages of Kudligi taluk of Vijayanagara district in Karnataka State. We have tried our outmost to avoid the use of forest land but could not eliminate it completely. The above proposed Transmission line is passing through forest division of Karnataka for which route alignment has been drawn on cadastral /Village map as well as on Survey of India Toposheet of 1:50000 scales for necessary processing for approval of forest cases comes under your territorial limit.

It is mentioned here that 4.338 hectare of reserve forest land is falling under the following villages of Bellary Forest Division in Karnataka State.

Sr. No.	Village	Forest Land in (Ha.)
1	Kakkuppi	2.6715
2	Agrahara	1.6665
Total		4.338 Ha.

We have already applied the forest diversion case & filled the Form A Part- I on MoEF&CC, Parivesh portal and the unique proposal no. is FP/KA/TRANS/154485/2022 and proposal has been examined by Nodal

officer Forest (Conservation) Act-1980 Government of Karnataka and has been found to be complete in all aspects. As per the process and guidance from Nodal office we are submitting the proposal file in (Seven) copies containing the prescribed form and documents as per the rules of MoEF&CC, Forest Department Govt. of India.

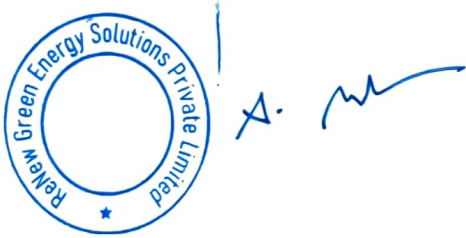

In addition to that kindly provide the acknowledgment on the slip generated from Parivesh portal for further uploading & release of proposal from Nodal officer to Deputy Conservator of Forest Bellary office through online process.

Therefore, we are herewith requesting your goodself to kindly process the forest diversion proposal for further approval from MoEF&CC enabling us in timely completion of National Interest Intra-State transmission line project in Karnataka State. We look forward for your kind support in this matter.

Thanking You,

Yours Sincerely,

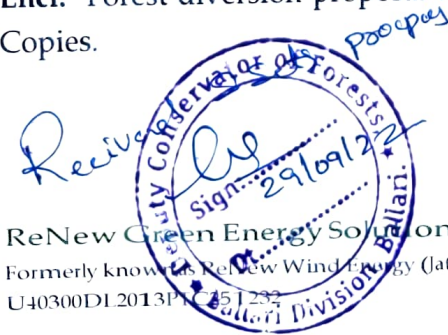

For RENEW GREEN ENERGY SOLUTIONS PRIVATE LIMITED
