Attention of the Conservator of Forests is invited to the references cited. The proposal furnished by the Commissioner, City Municipal Corporation, Coimbatore for diversion of 3.64 ha of forest land in Madukkarai village of Coimbatore Forest Division for expansion of burial ground of Madukkarai village of Coimbatore Corporation in favour of Commissioner, City Municipal Corporation, Coimbatore has been forwarded with the recommendation of the Conservator of Forests with Part-II of Form-A.

In the Part-II and Part-III of the proposal, the following discrepancy/omissions are noticed.

1. In the segment (2) of legal status of forest land proposed for diversion, legal status is reported as 'compensatory land'

Above land had been received as compensatory land and land classifications had already been changed as forest land. Hence this segment has to be changed with reference to Revenue Records and furnish the documentary evidence.

2. Under the segment (8) of significance of the forest land proposed for diversion from wildlife point of view, the District Forest Officer has reported that, (ii) the area forms part of Nilgiris Biosphere Reserve, but under (iv) has reported that, area is not located within 1 km from boundary (Biosphere Reserve) of the forest land proposed for diversion.

This needs to be rectified.

3. The District Forest Officer has not uploaded the compensatory afforestation scheme for the proposed CA land along with its location marked in the Survey of India topo sheet and site suitability certificate.

Hence the above defects may be rectified and furnish the details through online and hard copy immediately.
