

In reply to point No.3, a certificate of DFO concerned has uploaded/submitted a certificate issued by DFO Dehra that the distance of protected area or their eco-sensitive zone i.e Pong Dam Lake Wildlife Sanctuary, from the forest area proposed for the diversion of forest land for the construction of Chintpurni-Talwara Jhurni Mod to Nangal via Sunhet is 9 Kms. But the distance of the proposed project from the protected area and their eco sensitive zone are required to be mentioned separately in the requisite certificate.
