**विषय: Diversion of 4.864 ha of forest land in favour of M/s Bloot Fozal Hydro Private Limited for the construction of Bloot fozal SHEP (5.00 MW) within the jurisdiction of Kullu Forest Division, Distt. Kullu, Himachal Pradesh.**

**सन्दर्भ: Online proposal no FP/HP/HYD/38741/2019** received on 31.01.2025.

महोदय,

मुझे आपका ध्यान उपर्युक्त विषय से संदर्भांकित पत्र की ओर दिलाने का निर्देश हुआ है, जिसमें वन (संरक्षण एवं संवर्धन) अधिनियम, 1980 की धारा- 2 के अनुसार गैर वानिकी उद्देश्य के लिए **4.864** हेक्टेयर वन भूमि की मांग की गई है।

**2. अतः प्रस्ताव से सम्बंधित जानकारी भेजने का कष्ट करे:**

1. As per the DSS analysis, Area evaluated for the proposed forest land is approx. 2.85 (ha.) however proposed diversion area is 4.864 (ha.). State Govt shall revise the KML and mark all the components in polygon shape and in distinct colours. Area of each components should be similar to the area mentioned as S.No-4, part-I.
2. Total 06 Dumping sites has been proposed in the forestland, DS-03/04/0506 is exactly situated centrally between the Khad/Nullah/mountains and DS 1 to 2 situated at the bank of the Nullah, from where stream following through, therefore State Govt. may explore to shift the dumping sites to Non-forest land, if possible. Otherwise change the location of dumping sites. Since all of these Dumping site will not only hindered the flow of the Khad but also cause landslide and destruction to the nearby landscape.
3. State Govt shall provide the details of trees/saplings in the proposed dumping sites each, duly authenticated by DFO concerned. Also, submit an undertaking that no tree shall be felled in the proposed Dumping sites.
4. In the S.No-4, part-I (Component Wise Break Up), the components for "WORKING area and Footpath " of total area 0.2905 ha & 0.0166 ha respectively has been proposed. State Govt shall clarify the rationale of this components with valid justification and relevant documents, if any, duly authenticated by DFO concerned.
5. State Govt shall submit the details (calculation sheet) of transmission line above ground/below ground (length and width, No of poles/area of each/ROW/ Minimum clearance between conductor Trees), duly authenticated by DFO concerned. Also, mark the same in the KML and add the same in legends.

6. Since the proposal involves private land (0.0628 ha), however no documents regarding the consent of the private landowners by the way of sale/gift Deed/NoC or any other form is required to be submitted/uploaded before Stage-I.
7. State Govt shall provide the fresh NOC from IPH/HPPWD/HPTCL/HPSEBL/Fishery department with the actual name of the UA.
8. In this proposal TEC has been accorded to M/S Bloot Fozal Hydro Private Ltd., & Apply Valley Resorts (P) Ltd.” However supplementary IA is signed between the “M/S Baloot Fozal Hydro Pvt Ltd. “and MoU is signed/accorded between M/S Apple Valley Developers. State Govt shall provide the detailed justification with documentary evidence separately for each, if any duly authenticated by DFO concerned.
9. Letter of consent is accorded to M/s Apple Valley Developers and that is for 2.00 Mw, however proposal is submitted by UA “M/S Bloot Fozal Hydro Private Ltd.” and for capacity of 5 Mw. State Govt shall provide the revised/fresh Letter of consent with the name of the UA applying for the proposal.
- 10.State Govt. may provide the detailed power evacuation layout plan till the power station and same shall be marked on the KML, duly authenticated by DFO concerned.
- 11.Component of Ropeway has been marked in the KML which is connect from one side to road to power house and one side is for dumping site-03, and working area. State Govt shall clarify the necessity of the proposed components.
- 12.Bridge components has been marked in the KML, however no exiting road for the approach to this project is visible/marked. State Govt shall mark the existing road from which the approach to project will be used.
- 13.As per the DSS analysis, out of the proposed CA area is (9.75 ha), 07 ha is under the (Moderate Dense Forest-MDF) category. State Govt. shall proposed the revised CA area with canopy density less than 40% and requisite documents (detailed compressive CA scheme with Site inspection of the CA with photographs of the DFO site inspection and trees species to be planted / KML/DGPS map/Toposheet/land suitability certificate etc.) or explore the 01 ha area adjacent to the proposed CA area with canopy density less than 40%, if available.
- 14.State Government shall mention Soil depth, aspect, Area dimensions and description, and detailed Site-Specific Soil and moisture Conservation measures, Individual Species names, and photographic evidence of DFO site Inspection in the CA schemes as per the REC MoM 31.01.2025.
- 15.NPV has been calculated 50% of the actual rate, State Govt shall submit the clarification in this regard.
- 16.State Govt shall provide the fresh documents of Aerial distance of the proposed site to the PAs/WLs and its proposed/notified ESZ, duly authenticated by DFO concerned. If the proposed site is in PA or its notified/default ESZ, comments of CWLW may be provided along with comments regarding the adverse impacts on such natural water sources and mitigation measures for the same.
- 17.Large numbers of trees and sapling (Total 70 no.) including ecologically and economically important species of are proposed for felling. Therefore, possibility of reducing the numbers of trees to be affected may be explored.
- 18.State Govt. Shall provide the certificate of non-availability of NFL from Director Land Record the competent authority for proposing DFL under special provision Para 2.2 (iv) of Van (Sanrakshan Evam Samvardhan) Adhinyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023, MoEF&CC.

यह पत्र सक्षम अधिकारी के अनुमोदन उपरांत जारी की जा रही है |
