Sub: Diversion of Forest land for proposed Third Railway Line between
Kalyan to Kasara Stations of 67.62 km in Ulhasnagar, Kalyan&Shahapur
Talukas in Thane district.

Reg: Submission of Hard copy of Forest diversion proposal

Respected Sir,

Kalyan-Kasara (67.62 Km) is electrified double line section of Mumbai Division. This corridor is known as the North-East Main Lines and is a part of CSTM-HWH Group 'A' route. All the three streams of traffic viz. Suburban, Mail / Express and freight trains use the same pair of lines between Kalyan-Kasara. Accordingly, the Government of India has decided to augment the carrying capacity by developing third line for the Kalyan-Kasara Corridor. Central Railway (CR), Mumbai Division is the implementing agency for the proposed 3rd railway line between Kalyan and Kasara stations through M/s RITES Ltd., Vashi as a Principal consultant.

A portion of the proposed alignment passes through forest area admeasuring 13.5667 Ha and therefore involves diversion of this forest land under Forest Conservation Act, 1980 for non-forestry purpose. In compliance to the provisions of the above Act, an application seeking diversion of 13.5667 Ha in "Part- I of Form - A" is has been uploaded on MoEF Parivesh Portal under the prescribed procedure on 27/08/2019 bearing proposal number FP/MH/RAIL/41780/2019. In continuation to the same, a hard copy of the said uploaded application is submitted herewith for your further reference and onward processing.

Thanking You,

(D.K.Mishra)
