**Sub:** Proposal for diversion of 44.0397 ha. Forest land under the Forest (Conservation) Act, 1980 for laying of 132KV Mul-SICOM Chandrapur Transmission line.

No. Desk-17/Nodal/Chandrapur/I.D.12899/2718/21-22  
Nagpur – 440 001 Dated 16/03/2022.

Ref: Govt. of India's letter no. FC-III/MH-47/2022-NGP/9403, dtd.28.02.2022.

Please find enclosed a copy of letter under reference. Govt. of India has informed that the instant proposal has been placed before Regional Empowered Committee's meeting held on 23.02.22 and after detailed discussion it was opined that Chandrapur Dist. inhabits both GIB (Great Indian Bustard) and Sarus Crane, accordingly, the State Govt. is suggested to explore the possibility of laying underground line through eco-sensitive zone to minimize the possible adverse impact on wildlife.

Accordingly, the Committee decided that proposal shall be again placed before REC after receipt of a technical feasibility report on possibility of laying underground line through eco-sensitive zone to minimize the possible adverse impact on wildlife, especially for avifauna mentioned above from the State Govt.

Hence, it is requested to inform the User Agency accordingly and asked to submit information on the shortcomings as mentioned above to your office for onward submission to this office for further necessary action.

Encl: As above

*(Signature)*, 16/3/22

(Naresh Zurmure)

Addl. Principal Chief Conservator of Forests And Nodal Officer  
Maharashtra State, Nagpur
