From

Aneesh C.P
Divisional Forest Officer

To

The Assistant Engineer & User Agency
LSGD Section,
Kizhakkanchery Grama Panchayath.

Sir,

Sub:- Implementation of Randampuzha Drinking Water Project – Identification of forest land included in the proposed project area – EDS arising of-reg.

Ref:- Proposal No.FP/KL/Pipeline/145441/2021.

Attention is invited to the above subject. I inspected the site proposed for the implementation of Drinking Water proposal at Randampuzha area on 12/03/2022. During the inspection, forest land required for the proposed project is not demarcated and hence the exact forest area required for the implementation of the proposal is clearly not known. The area is to be refixed to know the exact forest land required for the project. Hence, the proposal is returned to the User Agency to submit after ascertaining the exact extent of forest area required for the project.

Yours faithfully,

Divisional Forest Officer
