Sub:-APFD – F(C) Act,1980- M/s. BSNL, Tirupati - Proposals for laying of New BSNL Optical Fiber Cable from Gudur to Podalakur Via Saidapuram RF under Nellore Division for digging of trench of length 1658 M and 0.4M width along OFC route over an extent of 0.0663 Ha. of Forest Land- Sending (6) sets of proposals- instructions issued - Reg.

Ref:-1. Prl.CCF's, A.P, Guntur., Rc.No.15026/7/2018/FCA- SEC-PCCF /FCA-1, dt.14.07.2018.

2. This office Rc.No.2146/2018-TO,dt.21.7.208 & 31.12.2018.

3. DFO, Nellore Rc.No.144/2014/F11,dt. .03.2019.

\* \* \*

Attention of the Divisional Forest Officer, Nellore is invited to the reference 3<sup>rd</sup> cited, wherein he has uploaded his recommendations in Part-II in connection with laying of New BSNL Optical Fibre Cable from Gudur to Podalakur Via Saidapuram RF under Nellore Division for digging of trench of length 1658 M and 0.4 M width along OFC route over an extent of 0.0663 Ha. of Forest Land in Departmental website [www.forestsclearances.nic.in](http://www.forestsclearances.nic.in) and forwarded the proposals in shape of 6 sets to the Conservator of Forests, Guntur Circle, Guntur for further processing the proposals.

As verified from the recommendations uploaded in the departmental website and hard copies (booklets); it is noticed that the Divisional Forest Officer has inspected the said area on 08.01.2019 and reported that the density of vegetation of adjacent RF area is ranging from 0.3 to 0.4 with scrub jungle growth and the details of existing flora and fauna of the proposed and adjacent areas is Prosopis juliflora, Gymnosporia Montana, Zyzyphus harinda, Carissa Carandas, Casia auriculata etc., and Wild boar, Spotted deer, Wild dog, Rabbit, Reptiles and Bird species and the proposed area falls under Eco-Class-III (Tropical dry deciduous Forests) with Eco-value of open Forest; but as seen from the statement of tree enumeration he has shown as Nil.

As verified from the recommendations uploaded in the departmental website and hard copies (booklets); it is noticed that the Divisional Forest Officer has inspected the said area on 08.01.2019 and reported that the density of vegetation of adjacent RF area is ranging from 0.3 to 0.4 with scrub

Hence the proposals submitted by the Divisional Forest Officer, Nellore is returned here with and instructed to re-examine the proposals once again and submit (7) sets of hard copies besides uploading his observations on above instructions for processing the same. It was further instructed that the hard copies of the proposals are to be prepared before uploading the recommendations in the [www.forestclearances.nic.in](http://www.forestclearances.nic.in) website and the same will be submitted without any delay. This may be treated as most important. Copy of the reference should be acknowledged.
